"We have dogs and cats of various ages and special needs. Having a veterinary facility with several exceptional vets is important to us. Getting the treatment for one of our "kids" is even more convenient. Our appointments are never rushed and always thorough. We have the highest regard for all the staff at Murrayhill Veterinary Hospital and appreciate all they do for our pets and for us."

— Anita Pace and Harriet Carpenter

"We bring our boys to Murrayhill Veterinary Hospital because of the exceptional caring, dedication, and professionalism of the staff. The extended weekday and Saturday hours compliment our busy schedules and allow our visits to be more enjoyable for us and the boys."

— Randy Akiona and Mika Tibbets

We love Murrayhill Veterinary Hospital, and we always feel at home there. They are warm, friendly, and they treat our pets with genuine caring and the highest level of competence.
