EVENT

# Wentworth SubaruCity

**THE ALL NEW 2010 SUBARU OUTBACKS**  
have arrived at  
Wentworth SubaruCity!

The New Outback is equipped with the rugged Symmetrical AWD system. It provides more leg, hip and head room while getting an unbelievable 29 mpg/hwy\* with the help of the new 6 speed automatic continuous variable engine. It achieved Partial Zero Emission Status (PZEV) and SmartWay certification...plus, it's built in a zero-landfill plant in America!

Love...It's what makes a Subaru a Subaru
