Is your house hot in the summer and cold in the winter? **WE CAN HELP!**

Clean Energy Works Portland™ is recruiting homeowners in Lents and Interstate neighborhoods to participate in a new energy-efficiency financing program that will improve the comfort of your home.

Participants benefit from:

- An in-depth home energy assessment.
- Insulation, air sealing and heating equipment upgrades, installed by high-quality contractors.
- No upfront costs. Improvements are financed with a long-term loan that is repaid on your monthly heating bill.
