What's your legacy?

Healthy lives start with a great doctor

What's your legacy? To be an inspiration? To achieve? To be there for your family?

At Legacy Medical Group—Northwest, we know that the foundation for a healthy life is a great relationship with your primary care provider.

That's why we are part of your community — our providers work side-by-side with you on prevention and treatment, and are knowledgeable about gay and lesbian health concerns.

Shaun Lan, M.D., and **Leslie Johnson, M.D.,** are welcoming new patients.

To find a doctor who is right for you, call **503-413-8988**.

Our legacy is yours.
