Out, Not Over

With Portland Pride 2011 in the books,
a look back, and ahead

Well *that* was a time, now wasn't it?

Not so fast. Pride isn't over—as we've all been reminded, from coast to coast and across Oregon. While Portland Pride proper may be done for another year, the season of statewide celebrations is just getting started, from Vancouver's annual Saturday in the Park event to Mid-Columbia Pride and, back in town, the booming Portland Latino Gay Pride scene (our coverage begins on p. 18).

We're on it, of course, and will continue to be so throughout the summer, along with ongoing recaps of the folks who made Portland's 2011 festivities special, folks like the newly revved-up Dykes on Bikes. And don't forget the photos, lots and lots of photos.

Be sure to visit blogout.justout.com for daily celebrations of Pride—and yes, more photos still.

There's much more to come.
