Gavin Younie's steel planters sell for \$350-\$850 dollars in Seattle and through his website: [outdoorscenerydesign.com](http://outdoorscenerydesign.com)

LEFT BACKGROUND :

Yellow Kniphofia is a tremendous bloomer summer through fall. Named after German botanist Professor Kniphof, many people have given up on pronouncing his namesake (some say "Knee-paw-fee-aw" others say "Naw-foe-fee-ya".) Most folks use its common name: Red Hot Poker. However, that moniker really doesn't fit the flowers which now come in red, orange, yellow, lime green or variegated colors.
