WICKED AWESOME

Wicked Awesome, created by Freddie Perry, aka DJ Freddie Says Relax is on October 27. Perry says that he wanted to create a Halloween experience for a community of queers. "I like to be around my LGBT scene on Halloween," Perry says, "so it doesn't feel like straight people gone wild."

But wild is certainly one way to describe the parties that started in 2009 with All Homo's Eve and continued for the past two years as Wicked Awesome. The synthesis of creative queers, killer DJ lineups (this year Roy G Biv, Mr. Charming, Bruce LaBruiser and Freddie Says Relax), and truly authentic cover band madness has created the perfect homo Halloween experience. Being joined by event producer Katey Pants will also ensure that this year runs smoother than ever.

BLOW PONY'S HELLA QUEENS & HEADLESS KINGS

At times controversial but always freaky, scary fun Blow Pony brings San Francisco Trannyshack legend Heklina up to mistress the ceremonies. It would be enough to see her interpretation of Elvira, but I fully expect a plethora of gender demolishing fright. rottur.com
