

PHOTOGRAPHY | BY RON ULRICH

Living the Dream

In 2012, from Mexico to Canada, Ron Ulrich hiked the Pacific Coast Trail in 26 wedding dresses — just because. What did this artist learn during his 2,600 mile adventure? People in the woods are scarier than bears, peace of mind doesn't come *easily* on the trail, some dresses are heavier than others, and that he wants to do it all over again.
