ARE YOU SINGLE?

I am. I still have some time before Valentine's Day, but I'll probably be single.

WHAT DO YOU THINK OF VALENTINE'S DAY?

It's a day to be infatuated with someone. It's a day pretty much devoted to couples.

THAT'S SOMETIMES WHY IT CAN BE FUN, OR GIANT BUMMER.

Yeah. Most of the time I'm stuck working. I really don't pay attention to it, but sometimes you're out at a restaurant, and you notice. Why are all these couples here? Oh, wait a second; it's Valentine's Day, now I feel depressed.

WHAT IS THE WORST DATE YOU'VE BEEN ON?

I met someone, and he seemed really cool, but he had this fetish for men burping. He kept trying to get me to burp in front of him. I burp, but not on command. Later on, I find out that he's into farts too, and then I decided it wasn't going anywhere.

HE REALLY LIKED VARIATIONS OF GAS.

Ha! Now I really want the cover to be someone farting a heart.

WE CAN PHOTOSHOP YOU.

No! Don't make me fart a heart.

ENOUGH. SO WHAT DO YOU THINK IS THE MOST IMPORTANT QUALITY IN A POTENTIAL OTHER?

Not too ugly, but first is sense of humor, and being into the arts. I want to be introduced to new things. Also, being open-minded and fun. Oh, and not too ugly, did I say that? \$
