DELEGATES RETURN; GIVE SPEECHES

Report of Conference and Experiences in General

PLEASSED WITH TRIP

Make Much Pleasure in Telling of Humiliations of Others

Wednesday, Jan. 14, the Ashland High School students listened to the interesting talk given by the students who attended the convention at the U. of O. at Eugene.

The speeches were given by the following: Charlie Cowan, Eunice Fier, Tonie Terles, Dot Tow, Floy Young, Tom Beswick, and Miss Clark.

Lucile Carron described the trip to and around the college in a very interesting manner. They attended the Press Conference at which the "Daily Oregonian" spoke of their magazine and the "Northwest" spoke of their magazine.

They also visited the riders on the "Oregonian" and got an impression of newspaper work. The trip to Eugene was a great experience for the students.

Operetta is Well Under Way

Work on the annual operetta has begun. Miss Arnold announced that it will be given some time in March.

This year "Liedwawa," an Indian story, was chosen, and it is filled with action, serenade, and romance. It shows the Indian's great courage, as Liedwawa, the heroine, sacrifices herself that her tribe may not fight a war.

Tryouts for the leads will be held soon, and the Girls' and Boys' Glee Clubs are now working on the chorus parts. This operetta has been given many times before, and has been a great success both financially and for entertainment.

FORESTER SPEAKS ABOUT PREVENTION

FORESTAR SAYS NO TO FIRE

Relates Importance of Forests, and Ways of Aiding Prevention by Fire

Mr. Brown, a member of the Forest Service, visited Ashland this week and talked on the "Importance of Forests, and Ways of Aiding Prevention by Fire".

He spoke of the danger to the community from forest fires, and how they can be prevented. He said that the community should take an active part in forest conservation, and that everyone should do their part to prevent forest fires.

Feb. 16—Medford vs. Ashland.
Feb. 19—Medford vs. Ashland.
Feb. 23—Medford vs. Klamath Falls at Medford.
Feb. 28—Medford vs. Ashland.

Open House Tried at Ashland High

School Program Run Through for Benefit of Guests

A new plan was tried out at the school last month, an O. P. E. program for benefit of guests.

Leaves and well attended by many town people.

The students were supposed to keep their parents and show them around the building. The whole routine of a school day was put on. Each student went to his class, for a seven minute period. During the fifth period a short program was given.

The rest of the period was rather poorly attended, because the girls' basketball game was in session in the gym and drew most of the crowd. The girls, Seniors vs. Juniors, created a lot of pop and rivalry on the sidelines among the roseters, especially the boys, each one wanting to win. Of course the Seniors were victorious.

To was served in the domestic science department for those who cared for it.

This ended the first O. P. E. house. The students and faculty were very well satisfied with the interest which it caused and plan to make it an annual affair.

FOOTBALL SCHEDULE

FOOTBALL SCHEDULE

Have you all noticed the boys' new sweaters? That is, can you help but notice them?

Whether one is up town or at school there is always at least one of those bright sweaters to be seen. Some of them have only one stripe, while others have two or three, but no matter how many stripes they have it is the sweater.

FOOTBALL SQUAD IS GOING STRONG

Large Turnout Places Several Men Each Position

MUCH COMPETITION

Numerous New Men Running Last Years Players Strong Race

The basketball practice is now getting under way in real earnest. There has been a large number of applicants out and each one is struggling hard for a position.

The practice is fast and furious and at this rate it will not be long until each player is in tip-top condition.

Byward Howell and Howard Woodward are hard at work for the center position, with both boys giving the best they have. Howell seems to have the edge since he can jump higher, but Woodward is given the best shot.
