quired to take good advantage of the vacation last week when they went to the Y. M. C. A. hall and cleaned up generally. The building is now ready for their winter occupation, since a stove has been secured.

men cabinets, so they saw to the election of Miss Hodges as class advisor.

The lucky boys in the Junior class were Buster Newhouse, president; Darrell Scliff, vice-president; and Wilson Smith, secretary and treasurer. As has been said, Miss Hodges was selected as class advisor.

The new officers of the class were busy Tuesday in preliminary choices of class rings. Mr. Bankworth of Portland was showing them the samples.

Campfire Schemes

The Campfire group has devised a plan to give more girls a chance to enjoy the camp held at Squaw Lake next summer. Following the example of the student body ticket plan is a painless way of getting the necessary dollars; many of the girls have already found it beneficial.

Do the students of Ashland High favor Hoover or Roosevelt for president?

The Rogue News is going to solve this problem by conducting a poll on October 27, the results to be announced in the November 2 issue of the News. Everyone is invited to participate, the only qualification being that the voter be a Rogue News subscriber.

Take the News, and vote for your favorite candidate.

Artistique

"I NEED MORE MEMBERS in the girls glee club", said Miss Kilgore when interviewed last week. A greater number are needed in order to have a more uniform balance. If enough good material is worked up, one or two good concerts will be given during the year, and it is hoped an operetta may be given in the spring.

The girls glee club is now organized with Nella Putman as president, Dorothy Burns, secretary, and social chairman, Janet Gould. The president appointed Marietta Whitney business manager and Helen Gould, librarian.

THE BOYS HAVE NOT turned out in sufficient numbers to warrant a boys' glee club. However, they have arranged themselves in quintets and have started practicing.

ASSEMBLY SINGING on Tuesday and Thursday is becoming popular. It breaks the monotony of the usual day's work. Everyone is expected to take part.

they can be expected to be in the pink of condition.

Grants Pass has many letter-men on their team to form a fairly heavy squad. They hope to take this game as a further step to the Championship Cup. However, past years have proved that the Cavemen are usually beaten on the local field. Ashland is working toward that goal again this year.
