 February 24, Ashland at Medford.
 March 3, Medford at Ashland.

Girl Athletes Preparing For Basketball Contest

As the holiday season approaches, the winter sports recede; so December 19 marks the conclusion of the girls' basketball. The last tussel will be played between the Seniors and the Sophomores for the school supremacy.

After the game, all the girls will sit down to the Sports Spread, a banquet planned by themselves. The feature of the dinner will be the announcement of an all-star team. Miss Magoon is the one who selects this team, and as yet she has given no intimations of her choices.

The captains of both the Senior and Sophomore teams will probably be called upon for speeches in which they can give their views of the season.

Then the losing team will be assigned the task of washing the dishes and cleaning up the room, while the winners may look on.

General chairmen in charge of plenty of food and lots of fun include Luella Chipman, Betty Cason, and Caroline Rose McNeal.

Tigers Prove Too Strong For Grizzlies in Final Test

Twenty-four Ashland Grizzlies closed the final chapter of Ashland High's hectic 1932 grid-iron events in the 54-0 crash with Medford. It should be considered that these boys fought throughout a losing season against great odds.

Approximately sixteen players will receive their letters at a special student body meeting to be held a few days before Christmas.

Angry Parent (striding into dimly lighted room): "Young man, I'll teach you to make love to my daughter!"

Wade Hanson: "Wish you would, old man, I'm not making much headway."

Basketball Season Opens With Yreka Tilt Saturday

Saturday, December 17, marks the opening of the Ashland High school's basketball season. The Grizzly hoopers will meet the fast and clever Yreka High school at the Junior High school gym here.

Yreka's football season has been over for some time and the Northern Californians have spent more time at practicing than has Ashland.

Yreka will come to Ashland with the reputation of being very strong and hard to beat. With some strong rooting on the part of the student body, Ashland should come out of the game carrying the large end of the score.

The Grizzlies who will probably see service in the game are: Olan Sneed, Harr; Hoxie, Robert Hardy, Willie Durham, David Lindsay, Carl Harris, Jack Enders, Paul Langsett, Headrick Bauhman, James Cady, Harvey Gearhart, Parker Hess, Bill Jungwirth, Bill Hoxie.

And still we wonder why Lloyd Arant's hair is curly in front and straight in back.

While on the subject of hair (we wore, weren't we?), J. Hall seems to have a preference for redheads lately.

Boy: Aren't the stars numerous tonight?

Girl: Yeah, and aren't there a lot of 'em.

Skipping a class a day keeps good grades away.

Sanders—Do you pick up hitch hikers?

Enders—Only with my hump-er.

Earl Varjan made the Southern Oregon all-Conference football team this year, while Parker Hess and Darrell Siefert received second team positions. Wallin, Sneed, and Newhouse received honorable mention.

Jefferson High School won the Oregon High School football championship by defeating a game and hard-fighting Medford Tiger squad 33-0. The game was played on Turkey Day at Multnomah Civic Stadium.

Klamath Falls has only two lettermen back for basketball this year. There are several promising men who played on the second string last year, but it's doubtful whether or not they'll make the first string. Here's luck to last year's reserves.

Grants Pass has two lettermen back; namely, Cook and Jackson. They had a large turnout when practice started on last December 1.

Only thirty-seven men and boys have been killed in the United States in football games this season to date. It's a mild season compared to the even fifty killed last year.

Gold Hill has five lettermen back and expects to go a long way in the class B conference.
