BACCALAUREATE, COMMENCEMENT CLOSING AFFAIRS

CLASS OF '33 PREPARING LAST APPEARANCES IN SCHOOL

The culmination of the school career—an event long looked forward to and remembered afterwards—is to be held for the seniors on May 24.

The annual High School Commencement will have a unique feature this year in that the class itself is to furnish the music. A group of girls from the graduating class have been designated to furnish the vocal music. Miss Kliger is directing them in the presentation of their numbers. The High School orchestra will also help furnish the music.

The class colors are green and gold, and the flowers, fern and red roses. Much of the decorative features of the Junior High gym, where the commencement is to be held, will be treated after these color schemes, by the decorating committee from the Junior class.

The chairman of the school board, Mr. W. M. Wright will present the diplomas to the members of the class of '33. Mr. Irving Vining has been asked to de-

Senior Program For Week Fine

Hayrack Ride, Swim, Hike and Party Are Among Plans

Again the seniors have their week of fun. What with rushing through theses, and all, many are looking forward to the time when two-periods and other studies can be forgotten and thoughts can be turned to less serious subjects.

Of course there's "Hick-Day," with all its characteristic hicks. This year there's going to be something new in this line. Then there's the Mount Ashland hike, and don't forget the hay rack ride.

For those who are fond of dancing and more formal affairs, a real treat is in store in the way of the senior banquet and the alumni dance.

Clark and Redford Address Students

Several Important Men Come Here To Aid Seniors In Words

The Student Body has been receiving notice lately, inasmuch as several important men have been here to address us.

Mr. W. W. H. Clark, professor of Chemistry of Willamette University spoke recently at the school. He had with him a large piece of what looked like coal, but was, he explained, the tooth of a prehistoric animal recently uncovered.

Mr. Clark later spoke to the Senior class at which time he encouraged the students to continue schooling. He answered questions put to him about finances and courses.

Mr. Redford, president of the

STUDENT BODY NAMES ANNUAL CUP VICTORS

As a result of the Student Body vote held Monday, Beverly Young and Olan Sneed are to have their names engraved on the Walter's Citizenship Cup.

These two were selected from a group of six nominated by the faculty, school board, and some local men. Those selected by this group were Vivian Sawyer, Beverly Young, Rachel Forsythe, Merritt Schilling, Frank Billings, and Olan Sneed.

Candidates are chosen on the basis of high grades, participation in sports, and Christian character. They must be active Student Body members.

ASHLAND PLAYS HOST AT MUSIC WEEK FETE

The annual Music Festival sponsored for the last few years by the S.O.N.S., was held on April 28 and 29 at the Junior High building.

On Thursday, the Junior High schools of the surrounding territory sent 1908 pupils for the program. Also, a large number of older people were present for the musical program.

Friday was the High School day, and between 500 and 600 students were present. The massed orchestra, conducted by Harry Borel of Klamath Falls, the massed Glee Clubs—both boys' and girls'—and the massed bands, led by Wilson Waite of Medford, were highlights of the program.

Ashland Typists Win Second Place

R. Forsythe and L. Arant Take Individual Awards In Shorthand

After waiting for four long days after the contest was held, the Ashland High commercial teams, recently entered in the State contest, finally received word of the results last Wednesday.

Ashland High's typing team won second place. This is the third time that A. H. S. has had its name on the second place cup and gives us permanent possession of this medal. Tigard took first place for the second consecutive year.

Individual awards went to Frances McCoy, who took first place in the novice or first year group. This was received because of most words per minute in her

MOLLIE HELMS TO BE GIRLS' LEAGUE PREXY

The Girls' League held their last meeting of the year May 9. The newly installed officers were President, Mollie Helms; Girls' Room, Dorothy Buras; Program, Lavette DeArmond; Social, Helon Gould; Secretary-Treasurer, Edna Fehige.

The installation ceremony was impressive as each retiring officer gave to her successor her congratulations and some symbol of the office.

The Senior girls entertained with music, readings, and a skit. After the program the new officers wished the seniors success in their future work by launching for each girl her ship of dreams.

Juniors to Entertain With Hilarious Picnic

Beginning of Senior week will start May 16 with Junior-Senior Picnic which is to be held at Jackson's.

Swimming, baseball, and other sports will be on the program for the day.

At noon the Seniors will be the guests of the Juniors at luncheon. The menu is as follows: meat loaf, potato and fruit salads, ice cream, cake, and coffee.

Committees are the following: Refreshments, Errilla Gearhart and Wanda Purves; arrangements, Wilson Smith, Jack Enders, and Buster Newhouse.

SENIORS WILL GIVE "ONCE IN A PALACE" EVENING OF MAY 12

GEORGE SMITH, BEV. YOUNG PLAY LEADING ROLES IN PHANTASY

No doubt the directors of all the larger motion picture companies ran shaky fingers through their fast-greying hair when they learned that the director's position for "Once in a Palace" had already been filled by a most capable director, Miss Hedges. At least that idea is no more fantastical than the course of events in the Senior play.

Hi-Y Men Choose Coming Officers

Smith, Hardy, Durham, Buchanan Elected Leaders Next Year

Wilson Smith was selected president of the Ashland Hi-Y Club at the meeting held April 25. Other officers elected to serve for the coming year were Robert Hardy, vice-president; Meredith Durham, secretary; Wayne Buchanan, treasurer.

The new officers have served two meetings already, thus giving them a little preparation this year for their work next. The new leaders spoke to the club expressing their desire to do their best and voicing their desire that the club would cooperate with them.

A committee recently thoroughly cleared up the hall so that it will be in good condition when the club is through with it for the season.
