

Girls' Tennis Team Consists of Juniors

Although the girls' tennis team has not definitely been picked yet, it is understood that the first five on the tennis ladder, which is now being used, will be the tennis team. At present, the top five, in order, are Dorothy Morris, Catherine Williams, Ida Willard, Phyllis Caton and Nison King.

Arrangements for matches have not yet been completed but matches are being planned with Medford and Grants Pass for the last of this month and the first of May. Only one trip will be made to each of these schools instead of the usual two because of the tire shortage.

Those going out for tennis are: Erlene Norberg, Marilee Erwin, Dorothy Morris, Catherine Williams, Ida Willard, Phyllis Caton, Nison King, Betty Whittle, Donna Frazier, Pat McCoy, Mary Pat Rawe, Dorothy Ray, Gay Neeley, Armita Black, Pearl Russell, Florence Neuffer and Rosemary Richards.

AHS Baseball Squad Loses Games

Ashland's baseball squad has met defeat at the hands of Medford, Grants Pass and Jacksonville since the beginning of the season, according to a recent report from sports reviewer Al Newbury.

The games played with Medford tallied up with three losses for Ashland: 8-12, 5-17, and 1-8. Luck was a little better with Jacksonville, the scores being 2-3, and 7-8.

Grants Pass defeated the home ball club 3-4, and later 4-10.

Barney Riggs caught for Ashland and several of the squad members pitched: Jandreau, Provost, Mansfield and Quackenbush. Medford's catcher was Adams, those pitching were: Gitzon, Plumley, Wray and Balls.

Grants Pass used Martindale and Pruitt for pitchers and Farthing as a catcher; Jacksonville using Smith and Hulners, Kenny and Sandorf.

Track Team Scores High At Medford

A squad of seven boys left Ashland March 28 and journeyed to Medford where they entered a three-way meet between Medford, Grants Pass and Ashland. When all was over, Ashland with four of the seven boys gathering points, was able to collect a total of 34 points to Grants Pass's 38 and Medford's 50.

Caton took two firsts, the 100-yard dash in 10.3 and the 180-yard dash in 19.2. Jandreau took first in the high jump and broad jump and second in the pole vault. Provost collected second in the 200-yard low hurdles and in the broad jump.

Relay Team Sparks

The relay team running in the 880-yard relay for the first time ran it in 38.8. The team consists of Provost, Jandreau, Fowler and Caton.

TWO TRACK MEETS SCHEDULED MAY 2, 8

Ashland's track squad has two games scheduled for the future: one with the Klamath county schools May 2 and one with Medford May 8.

The Medford meet will be held at Medford, and the one with the Klamath county schools at Klamath Falls. The early date of May 2 for the Klamath meet is attributable for the fact that the state meet annually held at Eugene, will be on the 15th and 16th.

Boy Blue--'42

Little Boy Blue was all engaged to marry Little Miss Muffet and Old King Cole. Little Boy Blue's father, was going to give them about a fortune and a half which he had invested in some ice. This ice was in the form of rings, bracelets and necklaces.

The day before the wedding, the bracelets, necklaces and rings turn up disappearing. At once the marriage is postponed because it seems that Miss Muffet won't marry Boy Blue without the necklaces, rings and bracelets.

In a flash King Cole calls on the F. B. I. (Forsythe's Bureau of Investigation). The F. B. I. swung into swift survey of the surrounding social set. They searched the grounds, picking up footprints, which they put in a truck (they bring 90 cents a dozen) and finally a G-man stumbled over a clue. Although he sank his floating rib when he stumbled, he valiantly struggled to his feet and padded off into "The Night" which is a night club.

With a snifter under his belt he called a cop, and the two went to the suspect's house. When they opened the door of said house, they expected to see a gloomy interior with maybe Boris Karloff wandering about making strange noises. Instead the joint was all lit up (so are the people) and there is the stolen ice in the refrigerator. The G-man and the cop can't arrest all the guys and gals because they have only one jail, so they drop the case (on their toes) and join the party.

Quill and Scroll Takes Seven New Members

Seven new members were initiated into Quill and Scroll April 7 at the home of Mrs. Frances White.

New members to the society include Vyvyan Freeman, Carolyn Rose, Phil Wolcott, Betty Whittle, Wayne Pickens, Judy Silver and Ann Craniall.

After initiation refreshments were served and the rugs were rolled back for dancing.

Another meeting will be held to elect officers for next year and to plan for a "Publications Picnic" to be sponsored by Quill and Scroll.

Klamath high school held a blackout dance on Friday, April 10. Lights were turned out at intervals. The highlight of the evening was a broomstick dance.
