

Band Active During Games

Ashland High School band, under the direction of Gordon Mallory, has been very active this year during games and parades. Half-time shows have been presented at every home game and the band traveled to Klamath Falls for a football game but no show was presented.

A most impressive show was put on at the Crater High game. A big "C" was formed in honor of the visiting school. The remainder of the show depicted different forms of transportation. While forming a sailboat, "Cruising Down the River" was played. "A Bicycle Built for Two" was played as a bicycle was being formed. Forming a car, "In My Merry Oldsmobile" serenaded the spectators. Finally a big "A" brought applause from Ashlanders.

This show was made more impressive with bat lights. The field was in total darkness.

Band has played in all noise parades and rallies to add pep.

It was also active during the Centennial Celebration, playing at the dedication of the new Civic Service Building and at the pageant.

Trampoline Stars Due November 20

On November 20 a national assembly will be held featuring Jim and Ivy Greenhalgh, talented unicycle and trampoline stars.

The trampolining act consists of different jumps, such as landing flat on their stomach and on their back, double flips, and landing on their hands and knees.

The skill and technique of riding a unicycle will be shown. A unicycle seven feet tall is called a giraffe. The highest known giraffe is sixteen feet high.

Jim Greenhalgh will ride a midgebicycle, which is very difficult to ride, and prove his great ability to do difficult things.

'Green Valley' ...

Continued from Page One

er Smith (Johnie Johnson) and Eve Friese (Gail Bowdoin), a mechanic and a dairy maid are two additional unbelievers who find that there is a thing as ghosts.

Other colorful roles are the displaced settlers ... Rufe Thomas (Ted Ewalt), Sarah (Sandy Sander), Hip Cooley (Bill Workman), Mammie (Margie Reed), Leroy Hill as Shade Stokes and Toby Fox and Carol Reich.

Lighting and special effects will be provided by Gary Byington and Bob Simmonds.

Tickets can be purchased from any Thespian member or at the door on the evening of the play.

... ROGUES GALLERY ...

Al Caudel

Al Caudel was once a small boy, and for that matter his 5 feet 4 1/2 inches are still small, but what he lacks in size he makes up for in personality.

Al was born in Richmond, California, on February 22, 1936, and went to school there until his junior year when he came to Ashland.

His favorite food is ravioli, and his favorite expression is "play it cool." He likes to hang out at the Sweet Shop.

Al says that his most interesting moment is when he walks into the econ class and sees Mr. Lewis' smiling face. He also said that when he was in the ninth grade he was Dean of Boys on Student Government day.

As to a future occupation, Al says he has none because he will probably be drafted before he can do anything else.

Nancy Graber

No one could help but notice this small, 5 foot, blonde, blue-eyed girl who is always doing something for someone any time of the day. This little blonde is Nancy Graber, better known to everyone as Poppy.

Nancy was born on February 8, 1934, in Hood River, Oregon, where she lived until she was 3 years old, and then moved to Ashland. She has attended Ashland schools since the first grade.

Nancy says that the most exciting thing that ever happened to her was getting engaged. That goes along with what she is going to do after graduation—get married.

Her favorite saying is "Oh, silly," and for a pastime she likes to stay at home. Her pet peeve concerns her height. She does not like to be called "Shorty" or have someone ask her when she is going to grow up.

Nancy belongs to but one organization this year, the Needlecraft Club. She was

Johnie Johnson

"All right, you guys, let's yell this time." As we all know, this is a familiar cry heard from our yell king, Johnie Johnson, in the pep assemblies every Friday morning and at the football games.

Johnie was born in Champagne, Illinois, December 6, 1925, and moved to Ashland when he was 14, the sixth grade.

Besides being yell king, Johnie is drum major. He belongs to the Letterman's Club and Thespians.

Johnie's most embarrassing moment was when he was driving along and all of a sudden, he ran into a 1950 Chevrolet. (A parked one at that!)

His ideal girl must be about 5 feet 2 inches tall; have brown hair, brown eyes, and a nice figure. Most of all she must have a good personality.

After graduation Johnie wants to attend college, if possible. He would like to stay at home so he will attend Southern Oregon College here in Ashland.
