## BEARS SPLIT HOOP PAIR WITH K. FALLS

Using superior height to their advantage, the K. Falls Pelicans rolled Ashland Feb. 24 by a score of 72-51.

Six-foot-seven Glen Moore sparked the Pelican team with 22 points. Parent and Sword had 11 points each and Johnson had 10 points for the losers.

The Pels had a good first quarter, leading the Bears 21-10. Ashland fought back in the second quarter but the Pelicans were still ahead at the start of the third period, 25-19.

Coach Al Simpson substituted freely in the second half to let every player have a chance to see action. This action on Simpson's part was to our advantage. Alley showed good ball-hawking ability, stealing the ball from the Pelicans 3 times in about a minute. Cluff connected with two beautiful long shots, and the two Fitch brothers, Green, and Toblason played a good defensive 4th quarter.

## SENIORS END HOOP CAREER

Saturday night's game with the Klamath Falls Pelicans, which Ashland won, was the last prep basketball game for nine seniors of Ashland High.

Ending their prep careers on the courts are Gene Parent, Stuart Baker and Devar Cluff who play forwards. Phil Sword and Richard Green were the guards for the Grizzlies.

These nine seniors did practically all of the playing and scoring for the team.

Ashland had a fair season, winning eight games and losing fourteen.

## Spring Sports Get Under Way

Spring sports are having good turnouts this year. Track and baseball practices are progressing rapidly to get ready for the first meet and games in late March.

This year track has thirteen returning lettermen, but is lacking depth in practically all events. Returning lettermen are Ray Bohn, Stuart Baker, Harry Johnson, Jim Witt, Martin Tucker, Bob Davis, Jim Kerns, Allan Dunn, Jim Busch, Mel Dailey, Phil Austin, Gene Parent, Gene Allen, and manager, Charles Neuman.

Baseball is having the best turnout so far with twenty-five prospects including a number of freshmen. Those returning in baseball are Phil Sword, Lance Locke, Gene Parent, Mark Fitch, Pete Cotton, Jack Eberhart, Bob Alley, Don Simpson, Dale Olson, Don Church, and Lynn Hales and Ron Hegler, lettermen managers.

The Grizzly tennis crew has not had good weather so far and is not working out as yet. Coach Bob Todd has two returning lettermen from last year's team: Dave Woods and Richard Green. There will probably be a good turnout when the weather becomes more favorable.

We urge those who are capable and like athletics to turn out for one of the three sports.
