

1958 Sports Roundup

Continued from Page 1

for the Grizzlies' success has been in the actions of several outstanding junior players such as Bill Maurer, smooth-fielding and hard hitting shortstop. Two left-handers, Bob "Rube" Johnson and Pete Stemple have alternated at first and pitching while leading the club in hitting. Bob Johnson is swatting at a .406 clip while Stemple has a .440 average going for him. Stemple also has an almost perfect record in pitching with a 4-1 record. Two of these victories were conference counters in which Pete gave up no earned runs to Medford and Crater and gave up a total of only three hits. Al McKinnis, right-hander is the other pitcher. He has a 3-2 record and one of these victories was a no-hit, no-run affair against Crater in a five-inning, Kings X game.

If these and the other members of the team continue their fine performances, Ashland may well have the first Southern Oregon Conference championship since turning A-1.

Track Wrap-up

The Ashland High track team had a good season this year under the first year direction of Coach Cliff Engle. As usual the track squad lacked depth but also as usual Ashland had some good track men that carried the squad. Heading this list is Jerry Stubblefield who dropped fourth place in the State discus throw last year and who also runs the century in 10.4, tours the 220 in 23.8 seconds and runs anchorman on the relay team. Al South, also a discus thrower, is another AHS thimble who is not to be taken lightly as he has won a state berth in the discus as a sophomore, junior and senior. South coupled with Stubblefield gives Ashland probably one of the best one and two combos in the state for discus. Both South and Stubblefield are seniors and will be missed greatly next year. Steve Gray, a sophomore, is another AHS trackster that got his share of the points this season. Gray

turns the 100 yard dash in 10.3, broad jumps 20 feet, runs the relay team, and remember, he is only a sophomore.

Record Broken

Scott Peterson, a senior this year, broke the AHS low hurdles record of 22 seconds set by Jim Jefferies in 1933. Peterson set the new record of 21.5 in a meet with Crater.

Possible school record breakers this season are Jerry Stubblefield in the discus and Kip Lombard in the high hurdles. Lombard has missed the high hurdle mark by only 2-tenths of a second.

This year Ashland thimbleads for the first time participated in a radio-graphic meet with three other schools upstate. Ashland won this meet bodily and it was such a success that two more have been scheduled for next season.

Other seniors on the squad are: John Dille, mile; Richard Barisdale, discus; Wayne Collum, javelin; and Jack Tobiasson, high hurdles; Al Hartwell, 440.

WRESTLING WRAP-UP

This year wrestling was added to the line-up of sports.

With no previous experience, the team did quite well, according to Coach Engle. Ashland won four matches. In wrestling, experience is an important factor.

Senior wrestlers were Frank Conley, Gerald Troxel, Jerry Stubblefield, Don Simpson, Jim Wright, Pat Simpson, John Dille, and Bill Nelson.

Conley wrestled as heavy-weight, earning a total of five points. Gerald Troxel wrestled in the optional 193 pound weight class winning four, tying one, for a total of 22 points. Jerry Stubblefield was in the 177 pound weight class. Jerry won a total of six matches for some 30 points. Don Simpson wrestled 167 pounds with a two win one loss record for a total of eight points. Jim Wright, at 156 pounds, won three matches for a total of 13 points. Pat Simpson wrestled at 147 pounds competing in three matches, winning two and losing one for eight points. John Dille, one of the most outstanding of the

entire team, wrestled 14 matches, winning 10 and tying one and compiling eight points in the district matches for some 50 points. Bill Nelson was our lightest senior wrestler at 135 pounds. Bill wrestled eight matches, winning four for a sum of 20 points.

TENNIS TOPICS

The tennis team received too little recognition at Ashland High this year considering the tough competition they had to meet.

This year there are four senior net men. Gerald Troxel, a two year letterman, holds down the number two spot on the squad. Over his tennis career he has lost only eight matches.

Rex Clarke holds down the number three shot and is a one year letterman. Rex has won most of his doubles matches with his partner.

Honry Hampton is a first year net man. He plays fourth man on the squad.

Returning this year to Ashland is Brooke Shadburne. Brooke is fifth man on the squad.

Last Will

Continued from Page 3

- Linda Wright, being of sound mind and body hereby bequeath to Phyllis DeBoer my invisible chest sheets and hope that she may use them as skillfully as I have.
- Jim Wright, being of sound mind and body hereby bequeath to Bob Johnson my natural ability to butter up the teachers because he will need it.
- Mike Kearns, being dense-minded and small body hereby bequeath to Dee Selby my good looks and my genius mind.
