Dale Barger Receives Bank College Honor

Dale Barger, AHS Senior, recently received a United States National Bank Work College Scholarship.

After writing applications and taking three tests, Dale was notified Dec. 23 that he was a finalist in the program and Jan. 25 that he had won the scholarship. Two interviews were also involved in the process. The scholarship applies to any state-supported college and Dale plans to attend the University of Oregon in Eugene. He will work after school at the bank, receiving pay until June, at which time he will begin working full time for 15 months. At the termination of the 15 months, he will attend the University of Oregon with tuition fully paid under the scholarship for 12 months. He will then work for 12 months and alternate this procedure for six years. At the end of the six-year period, he will receive an executive job in the banking profession plus the added advantage of having six years seniority. The agreement is not necessarily binding, Dale stated, "I'm enthused about the opportunities of a banking career and I encourage the juniors to look into the program."

An active student, Dale is president of the National Honor Society and a member of seminar, Lettermen's Club, student council, interclass council, and participates in Saturday classes at Southern Oregon College. He was a member of this year's football team.

Play Directed By Mr. Windt

Mr. Bernard Windt was the orchestra director for the production of "Ariette and Mehitabel." It was presented by the Y.M.C.A. at the Varsity Theatre Jan. 31 and Feb. 1. Several local teachers and Ashland High graduated coeds also assisted in the performance.

Mr. Windt is a graduate of Ithaca College in Ithaca, New York, where he received his B.S. and M.S. degrees in music. He did graduate work at Eastman School of Music, the University of Michigan and the University of Oregon. He has been the music director at the Shakespearian Festival for the past 12 years, in which time he composed most of his own music. Windt is now the music director of orchestra, chorus and the music department at AHS. He is also teaching classical guitar at Southern Oregon College and private instructions.

Raoul Maddox, band director at AHS, played the trombone in the orchestra for the play, Frank Kenney and David Wight, band directors at Ashland Junior High, were also among the members of the orchestra. Kenney played the flute and bassoon. Wight played the clarinet and tenor sax.

The Kitten Line Chorus included Lyn York, Betty Schweibert, Pat Lorton, Pam Kaegi, Jan McCarley and Linda Breedlove who have recently graduated from AHS.

Band, Orchestra, Chorus Honored

Six Ashland High students have been selected to attend the All-State Band, Orchestra and Chorus in Portland, March 16.

Monte Bradshaw, junior, was chosen to attend the All-State Orchestra as a first violin player. It was announced by Mr. Bernard Windt, orchestra and chorus director. Monte was chosen on the basis of her recommendations from Mr. Windt. She will go to Portland on March 14 to begin practicing with other students. The orchestra will perform on March 16. Pam Lewis, Janine Lusk and Barbie Sorenson, also recommended by Mr. Windt, will participate in the All-State Chorus. Pam, a senior, will sing first soprano. Janine, also a senior, was selected as a second so-

prano. Barbie, a junior, will be in the alto section.

The orchestra and chorus are made up mostly of seniors, although juniors are often selected. Usually the maximum number of students to represent a school for each division is two. This is the first year any of these students have taken part in the program.

Mr. Raoul Maddox, band director, disclosed that Mike Knapp, junior has been chosen to play baritone saxophone. Doug Burdic, a sophomore, was selected to play trombone for the All-State Band.

Those students trying out for the All-State Band find it more difficult than those trying for orchestra and chorus. They must prepare a tape-recorded audition which is compared to students from all other schools. Doug and Mike were the only Ashland students to audition for the band this year. Neither of the students has participated in previous years.

Those students taking part in the All-State music program will live in private homes during three concerts will be given on March 16. An admission charge of \$1.00 for adults and \$.50 for students has been set.

Negative Debate Team Wins

At the end of the debate in Mr. Shank's speech class, all but two members of the neutral party decided to cast a negative vote as to whether or not Communist China should be admitted to the United Nations.

The two who did not vote negatively remained neutral.

Needless to say, members of the negative party were quite pleased at the results after exerting much time and effort. One member of this party made a direct phone call to the U. N. Building in New York to gain information. The party then presented a tape recording of the telephone conversation in class.

The affirmative party put up a good fight, though, and lost the battle gracefully in the end. One member of this party said that he had certainly learned never to fight for the side opposing the United States in a United States classroom.
