Wrote Essays

The members of the Juvenile Jury were picked by Ashland High School authorities after Ashland High School authorities after they had written an essay-type-letter telling why they wanted to be on the jury, Letters in-cinded such ideas as what the students felt they would gain from being a jurer and what good they could do for other ctudents

The purpose of the jury is twofold. First, it gives the partwofold. First, it gives the par-ticipating students a better un-derstanding of laws and the was laws are enforced. Second, it gives the juvenile lawbreaker the chance to be tried by a jury of his peers, teenagers, so as to give him a chance to have a fair trial judgment.

Operation

There are six members

the jury for each case; they are chosen at random from all the jurous present by the presiding judge, the Honorable Gerald J. Scannell, Ar. Each jury sits in on about three cases a night before it is changed. This gives each member of the Juvenile Jury a chance to serve at least once each night. once each night.

SSS Changes Released Plans For

Plans for changes and revisions in this year's S.S.S. program have been made, according to Jack Farmer, S.S. Committee chairman.

The six-year-old program is

based on class competition in the areas of spirit, scholarship, and service. Its aim is to improve and increase activities in each of these areas. Last year the basis for judging each class was changed from evaluation of class activities to challenges among the classes. This year's committee has made additional changes to try to eliminate some of the problems created by the challenge system.

The advisor for the commit-tee, Mr John Gray, stated that last year there was no definite program for the committee to follow, and many times no one knew who was winning.

This year, spirit challenges are being planned from now until February, and then series challenges will continue for the remainder of the year.

Scholarship challenges will be made throughout the year as they have in the past. Farmer stated that the main

reason for the change was that spirit has dominated the S.S.S.

challenges in the past. He said he feels it is important to insti-tute more service and scholar-ship competition in the pro-

Officers

Two S.S.S. officers will be uppointed from each class. The chairman will choose his com-mittee. These officers will sub-mit the challenges. After commit the challenges. After committee discussion the challenges will be either passed in rejected. The class winning the most challenges will be awarded the skip day in the spring.

Each aix-weeks the red and white grizzly hear will again be

awarded to the class that awarted to the class that is ahead at that time. The service projects will be judged on a point basis. All scholarship and aparit challenges will have un-opinionated decisions.
