

Four Go To State

Those four track members who went to the state meet are (l. to r.): Jack Anderson, javelin; Jay Fischer, low hurdles; Gene Willis, discus; and Roger Springer, pole vault.

Four Ashland High track athletes won the right to go to the state track meet by either winning or finishing second in the district meet.

Gene Willis, who hurled the discus 106' 2 1/2", was the only first-place winner for the Bruins in the district meet where the Grizzlies placed fifth.

Other teammates who qualified for the state by finishing

second include Jack Anderson in the javelin, Roger Springer in the pole vault, and Jay Fischer in the low hurdles.

Grants Pass dominated the district meet, rolling up 140 1/2 points to 120 points for Klamath Falls. Medford was third with 76 1/2, followed by Roseburg with 70, Ashland with 39, and Crater last with 28.

Performances by Ashland

competitors saw Willis second in the shot put, Dana Berry sixth in the long jump, the 440 relay team fifth, Terry Neuen-schwander third in the mile, Gary Hooper and Kay Ferraris fifth and sixth in the javelin, Springer second in the pole vault, Fischer third in the high hurdles, Diok Boulton fifth in the 800, Willis first in the discus, Fischer second in the low hurdles.

Anderson had previously tossed the spear 191'8", which bettered his showing at the district meet. His toss came at a four-team meet with Klamath Falls, Grants Pass, and Crater.

In the shot put, earlier this year at the same meet, Willis set a new school record with a throw of 53'8". Breaking his old pole vault record of 13'4", Springer turned around at a meet with Grants Pass and vaulted 13'9".

District Easy, Golfers Go State

Being the most successful golf team in Ashland's history, the Bears represented Ashland High at the State Tourney.

At District, all the Grizzlies did well, shooting five strokes under the 328 stroke maximum four man team score. Bill Kuhlwein made All-Conference with an 18 hole total of 73, second best in the district. Scott Weaver had the second best team score of 82, and Jim Work, the team's only sophomore, shot

an 83. Qualifying fourth on the team to attend State was Steve Roberts with an 85. John Zupan also had an 85, but lost the fourth man spot to Roberts.

At the State meet a week later, the Bruins took twenty-fifth in a field of 49 schools, beating 11 schools. The Bears shot a 330-340-670. Kuhlwein had an 82-82-164. Weaver shot an 82-82-164, Work fired an 86-83-166, and Roberts trailed with an 80-91-171.

Since Scott Weaver is the only member graduating, Coach Dick Coppel is confident that the team will do even better next season. Upcoming golfers include Jack Gordon, Tim Mobley, and Gregg Torrey, one of whom could be the fifth man.

Grizzlies Cap Baseball Year

The Ashland High Grizzlies closed out their 1967 baseball season by losing a trio of games to conference competition. The three losses bring their conference mark to 0-20 and 2-23 total for the season.

Grants Pass squeaked past the Bruins twice, winning by one run in both games. The scores were 7-6 and 6-5.

In the first game with Grants Pass, Ashland jumped off to a 6-0 lead, but the Cavemen fought back and won the game by an extra inning homerun.

The second game was a reverse of the first. Grants Pass built up a six point lead early in the game, but Ashland could not make up in the final inning and fell short, losing a 6-5 decision.

Medford ended Ashland's season by defeating the team for their last game 6-1.

Medford started off with a 3-0 lead, and then stretched it 6-0 in the sixth inning.

The Grizzlies' lone tally came when the Tornado's pitcher walked in the row.

Sonny Sixkiller was the losing pitcher against Medford.

Three seniors played their last baseball season with Ashland High School. They were Joey Williamson, Joe Stephenson, and John Matteson.

Girls Place 3rd In District Meet

The Ashland High School girls track team placed third at the district track meet held May 6 at Southern Oregon College.

Those who placed for Ashland are: Judy Jameson, who qualified for the state meet, placed second in the 220 and 100 yard dash; Carolyn Boat, third in the shot put; Judi Ne-dever, third in the javelin; Kathy Roberts, fourth in the javelin; Kathy Brown, sixth in the hurdles; Carlita Holland, sixth in the 440 yard run; Teresa Moulton, sixth in the javelin; and Jameson, Shaw, Harlan and Holland placed sixth in the relays.

Kathy Brown tied the school record of 142" in the long jump.

Netmen Fail To Go To State

In the last match of the tennis season, the Ashland High netters were unable to send a representative to the state meet. They fell to the Conference teams in both singles and doubles.

The most successful Bears were Craig Kirby, winning round one, 2-6, 6-3, 6-4, but losing the second 6-3 and 6-0; and John Perry who beat a ging 6-0, 6-0 in the second Klamath Falls man 6-1, 6-3, and losing 6-0, 6-0 in the second round.

ATHLETE OF THE MONTH Anderson Honored

The final Athlete of the Month has been picked. Jack Anderson, a 5'10", 175-pound junior, has been selected for his participation in track this year.

Anderson has been an active athlete all through high school. Transferring to Ashland High School this year from Portland, Oregon, he has lettered in track here and in football in Portland. He likes all kinds of sports, among them football, basketball, track, and baseball.

Anderson did well in his track efforts this year. His best meet was in a four-way match the weekend before district. Although he did not place at State, he heaved the javelin 180'2" to take second place at the district meet held in Klamath Falls.

Along with his athletic prowess, Anderson enjoys the outdoors. Fishing, mountain climbing, and rock collecting were

listed as his hobbies. As well as enjoying outdoor sports, he enjoys indoor sports (easing). He mentioned his favorite foods as steak, ham, stams, prawns, pancakes, and apple pie.
