Pam Hoffbuhr leaps up and over the high jump bar during the May 5 meet with Roseburg. With this jump, Hoffbuhr defeated Linda Ganzini for first place and also set a new school record of 5-3.

The 440 yard relay team consisting of Miss Hoffbuhr, freshman, Kathy Johnson, Sharon Hill and Ellen Reynolds, easily maintained their undefeated status and in doing so set a new school record of 51.7. Their chances for victory at state have been dimmed by the groin muscle pull of anchor leg, Miss Reynolds.

Making a 1-2-3 sweep of the long jump finals, Ashland sent Terry McClure and Julie Davies to state. McClure set a district and school record of 17-5 in capturing first as she defeated Davies who had a jump of 16-1. Leaping 16-3 $\frac{1}{2}$, Reynolds took third in the event.

Charity Wood defeated Sandy Herbert of Klamath Falls and Melanie Monroe of Medford for the javelin throw. Her winning toss measured 118-3.

Ashland's inability to capture points in the field events, enabled Klamath to pull away in team scores from the Grizzlies.

High jump produced three state contenders, all of which surpassed both the qualifying standard of 4-10 and the five foot barrier. Ganzini defeated Hoffbuhr for the title by clearing 5-3 $\frac{1}{2}$, another district record. Miss Hoffbuhr, who had defeated Ganzini the week before at the same height, managed a 5-2 $\frac{1}{2}$ while teammate Kathleen McClure leaped 5-1 $\frac{1}{2}$ to capture third place.

AHS Golfers Lose District

A three way tie for sixth by Pat Akins was the highest the Ashland High Golf crew could come up with two weeks ago at the district golf match in Klamath Falls.

Akins shot a 40 for the front nine and a 39 for the back nine for a three way tie for sixth at 79. He tied with Jim Johnson of Klamath Falls and Scott Cow of Roseburg, Roseburg.

As a team Ashland shot 350, 43

strokes behind the winner, Medford, and in last place in the five team event. Larry Astley shot a 88 for Ashland. Others were Carey Schmalz with a 90, Doug Engle 93, and Pete Gray 93.

Track Girls Go To State

Upsetting pre-meet predictions for an easy Klamath Falls victory, the Ashland track girls gave the Pelicans a run for the district trophy. Final team scores for District VI Girls Track and Field, May 13, were Klamath

Falls - 95; Ashland - 87; Medford - 69; Roseburg - 67; Grants Pass - 46; and Crater - 39. Klamath Falls had been heavily favored while "Roseburg and Ashland would fight it out for second."

Ashland sent a strong delegation of district winners to the state meet held at Springfield, May 19-20. Setting district and school records in the 100 meter hurdles, Pam Hoffbuhr won the hurdle event in 13.3. Linda Ganzini of Roseburg held off Julie Davies for second place. The margin between Ganzini and Davies was measured in time as .01 - one one hundredth of a second difference. The old record had been set by Davies just last year at 13.75.

Susan MacCracken who ran the 440 yard dash, placing fourth, and the 880 yard run for sixth place. Johnson placed fifth in the 220 yard dash which Herbert of Klamath won in a record time of 26.31.

The 880 yard medley relay with Hoffbuhr running the 220, Carol Christlieb and Reynolds springing 110's and Terry McClure finishing with a 440, placed fourth.

Kathleen McClure high jumped 5-2 $\frac{1}{2}$ at a meet with Phoenix only to have Pam Hoffbuhr jump 5-3 the next meet to abolish her school record.
