

Grizzlies Vying For Third Consecutive Shutout

Harriers Continue To Win; Will Travel To Gilchrist

The state champs are back — The Grizzly cross-country team handily defeated eight other teams at the Crater Invitational Meet September 9. The following Saturday they placed first at the Lost River Invitational in Malin.

Coach Bob Julian admitted, "We could not tell much from the Crater meet," since it was the first meet of the season and the competition was none too difficult. "I was expecting a stronger Medford team," Julian added. The Tornadoes placed third with 111 points compared to the Grizzlies' 41.

Julian is waiting for the confrontations with Klamath Falls and the 16 teams in the Gilchrist Invitational to finalize any judgment of this year's competition. As of now he predicts tough challenges throughout the district, especially Klamath Falls, Grants Pass and Roseburg.

With Tom McDowell, Bill McPherson and Claude Neuen-schwander all graduating last year, some dim hopes appeared but with the added depth of the team this year, optimism has grown rapidly.

Scott Studebaker, after an impressive 12:33 clocking at

Crater, has assumed the number one position this season. At the Comet cross-country course he defeated the second place man by more than 20 minutes.

Sophomore Mark Farrel placed 12th on the same course, surprisingly beating Jay Holland by one-tenth of one second, 13:48 to 13:49 respectively. Holland should be challenging Studebaker by midseason. With only a week's practice under his belt he was not quite in shape for the season opener.

Rounding out the varsity squad via their performances at Crater are: Fred Sears (13:27), Dan Morgan (13:38), Jim Troutman (14:15) and Wayne Morgan (14:17).

The junior-varsity team also triumphed in its opening meet. Mark Simmons lead the Grizzlies with a second place performance of 14:46. The top five finishers for AHS included Simmons, Mike Neuen-schwander (14:54), Roy Reeder (14:56), Lee Cook (14:58) and Steve Haptonstall (14:59).

Yesterday's performance in Lithia Park against Klamath Falls and tomorrow's invitational meet at Gilchrist should tell the tale of the Grizzlies success this year.

Anderson appears slow off the ball, as Dan Jarrel (51) snaps the pigskin to quarterback Craig Siebelist (11).

Bears Walk All Over Sunset & Anderson; Meet Albany Tonite

Running out of the new triple-option offense the Ashland Grizzlies recorded their second shutout of the 1972 football season. Anderson High of California went down to defeat at the hands of Coach Locke's undefeated team 27-0.

The highlight of the game was a 89 yard punt return in the second quarter by Mark Wilson. The return broke a four year record of 65 yards set by Randy Samuelson in 1968.

Tonight the Grizzlies travel to South Albany. They will play the Rebels who have not had a win in their short two year history. Their season record for last year disappointing 9-8. The Grizzlies will most likely have to play without the services of tailback Larry Toney and guard Dennis Watson, both injured in the Anderson game.

Craig Siebelist leads the Grizzlies scoring with 24 points on the season. The senior quarterback scored 2 touchdowns against Sunset and 2 last week against Anderson.

AHS Football Goes North; Held Sunset Scoreless, 13-0

On scoring runs of 7 and 32 yards, Craig Siebelist lead the Ashland Grizzlies over Sunset 13-0.

Displaying both a running game and an aerial attack, the Grizzlies amassed a total yardage of 283 yards. After running for 65 yards and throwing for another 83, Siebelist proved to be the star as radio announcer Ron Holloway interviewed him on the post game wrap-up show.

It was Ashland's defense that gave Siebelist the ball in good field position most of the game. Led by Dave Jensen's fumble

recovery and Dan Johnson's interception, the defense turned back numerous Sunset scoring attempts.

The most notable being a hard goal-line stand early in the fourth quarter. The Grizzly defensive stalwarts held off the Apollos on four successive downs inside their own 10 yard line.
