## HURRAH FOR CELEBRATION

GLORIOUS TIME PLANNED FOR JULY FIFTH

GREAT DAY IN CORVALLIS

Observance of Independence Day Will be Characteristic of the Patriotic People—Splendid Program is Being Arranged by the Committees.

Everybody is getting in fine trim for the rousing celebration here in Corvallis on Monday July 5, and that day will be crowded to the limit with excitement, sports, grand parade, fireworks, music, addresses and all the observances that accompany an old time keeping of the Nation's birthday.

The various committees have been doing splendid work and there promises not to be a single hitch in the joyous event.

The speaker of the day will be Judge L. T. Harris, of Eugene, an eloquent orator and one sure to awaken lots of patriotic enthusiasm. Miss Vena Rickard will read the Declaration of Independence, and Prof. Gaskins will direct a large and well trained chorus in the singing of national songs.

There will be music by the band, two of them, in fact, and a parade that will be a credit to the artistic talent of the committee in charge, with some popular lady as Goddess of Liberty and Captain McAlexander as Grand Marshal. One attractive feature will be troops of mounted ladies and men, all forming a brilliant cavalcade.

The sports will be numerous and varied and there will be plenty doing to amuse and entertain the crowd.

The celebration will end with a brilliant display of fireworks at night, the best that it is possible to obtain, and will be touched off on the opposite side of the river, so that the crowd can all see the magnificent effect from this side.

The committee having in charge the contest for the Goddess of Liberty, hopes that the greatest interest will be taken in the voting and that the fund will be large enough to defray the expenses of getting the gorgeous float here for the parade.

### School Election Next Monday

The regular election in District No. 6 will be held at the courthouse Monday afternoon, June 21, from two to six o'clock for the election of five school directors, instead of three as formerly, the district having been raised to the first class. The time of W. C. Corbett expires, and he is prominently mentioned for reelection, as also is Judge Denman for his experience and ability in school matters.

This election is a most important one and every voter in the district should be sufficiently interested in it to help elect the very best men.
