

HOOD RIVER SUN.

HOOD RIVER, OR., NOV. 23, 1899.

LOCAL AND GENERAL.

Mrs. G. P. Connell was one of the Hood River visitors to Portland this week.

Wm. Young was one of Hood River's visitors to the metropolis since our last issue.

Some more new plank sidewalk—This time fronting the store of Messrs. Dallas & Spangler.

O. B. Hartley, stock buyer for Clyde T. Bonney, was up to The Dalles last Friday on business.

Jos. A. Wilson left last Friday for a trip to Grant, Penn., where he will spend several weeks visiting friends.

Wonder if any one saw the "Shute" ing star last Thursday night while the chicken catching act was going on?

Mrs. Florence Benson of Portland, is in the city the guest of S. H. Cox and family. She expects to remain for the winter.

Mrs. May Smith left Saturday evening for Pendleton, after a very pleasant visit with the family of G. S. Evans, our general barber.

G. W. Lane is going to housekeeping again in Hood River and has placed a sixty-five dollar order with W. E. Sherrill for furniture.

W. E. Sherrill made a trip to Portland on Monday, and a glance at our business columns in this issue will give the reason of his visit to the big city.

At a meeting of the Sunday School of the United Brethren Church it was decided to hold the Christmas service on the evening of Christmas day.

Mrs. Clyde T. Bonney and Mrs. Walter B. McGuire have been visiting with friends at Portland for the past few days. Mrs. McGuire returned home Tuesday.

Born.—In Hood River on Nov. 21st, to Mr. and Mrs. E. C. Mahany, a son. A new arrival is also reported at the home of Mr. and Mrs. Neistrom on the same date.

J. Bagley has arrived from the general office of the O. R. & N. at Portland and will have charge of the office here, a vacancy having been made by the resignation of E. B. Clark.

Young people to the number of about twenty-five met at the home of M. V. Rand last Friday night and spent several hours very enjoyably in social games and conversation.

The Christian Endeavor Society of the United Brethren Church is preparing a first class program for a public entertainment to be given Thanksgiving evening. The program will be published in next week's Sun.

News from the typhoid fever patients states that Archie Eastman is convalescent, but Roy is still quite sick. George Boorman and Burns Jones are still on the sick list but doing well, while Alfred Boorman is in his first week of an attack.

Mrs. C. G. Roberts and son Charley left Monday evening for Portland where they will visit for a few days, after which they will leave for California, where they will spend the winter, in hopes of benefiting Charley's health, which has been very poor during the last few months.

Mrs. Geo. P. Crowell went to Portland on Monday morning, and combining business with pleasure, will visit with friends, at the same time attending to some business that called her to the big city. Mrs. Crowell will return this afternoon or tomorrow.

Miss Maud Decker of St. Helens, who is spending the winter in Hood River, has been experimenting at type setting in the Sun office this week, and for a beginner shows a greater aptitude for the work than is usually the case. Miss Decker will assist at the case in this office.

At a caucus held last evening the following gentlemen were nominated as candidates for town officers: Dr. F. C. Brossius, mayor; A. L. Blowers, J. F. Luckey, C. T. Bonney, P. S. Davidson Jr. and C. A. Bell, councilmen; Geo. P. Crowell, treasurer; E. S. Olinger, marshal.

Rev. H. K. Benson, the pastor of the United Brethren Church will preach at 11 A. M. on "The Lord's Hand" and at 8 P. M. on "To Know Him". The Y. P. S. C. E. meeting at 7 P. M. will be held by Miss Myrtle Ames. The Sunday School meets at 10, and a cordial invitation is extended to the public.

The Davidson Fruit Co. has purchased the Hood River box factory and will operate it in the future, and they promise that the prices on berry crates and some other kinds of fruit packages will be materially lowered in the future. They have also purchased the lot west of the cannery and will move the factory there in the course of time.

Several new subscribers have been added to the Sun's rapidly growing list during the past few days from different parts of the country tributary to Hood River. The paper is being read apparently and somewhat appreciated, and every new name received is an incentive for greater effort on our part to make it still more worthy of appreciation.

MARRIED.—On Nov. 15, 1899, at the residence of the bride's parents, Mr. and Mrs. Brandon of Plainview, Ore., Rev. C. Sperry, of Brownsville, officiating, Mr. Orange G. Chamberlain of Hood River, and Miss Lucie Brandon of Plainview. Though a little late in the day, the Sun desires to add its blessing and wish the happy couple a long, happy and prosperous life.

R. E. Fowell was doing business in Portland this week, and because of the fact that W. E. Sherrill, furniture dealer sold him goods on Monday amounting to \$235, it rather looks as if Ed. contemplates something desperate, in the near future. "Fess up, now, Ed. and give your friends relief from their intense curiosity, or we'll have to ask for information elsewhere."

Mr. L. Bradley, a cousin of the editor visited our little city this week. Mr. Bradley is an artist of fifteen years' experience, and contemplates establishing a studio in Hood River in the near future. He has just completed a season's tour through Eastern Oregon, having met with very gratifying success, and is now enroute for his home in Dayton, Or. Mr. Bradley was accompanied by S. B. Fay, also of Dayton.

The members of the Hassalo Club are working hard to complete their club rooms by Thanksgiving. They are all very well pleased with the undertaking so far and feel that it will continue to grow in popularity. They have already begun to feel that they couldn't very well have gotten along without it. All members of the club are requested to be present at a special meeting called for Saturday night at 8:30 o'clock at the club rooms.

John W. Watson, traveling representative of the Loewenberg & Goings hardware company of Portland, was very pleasant caller at this office last Friday morning.

Mr. Watson is a son of Mr. W. P. Watson, of this city and he generally makes this point about every two or three months. He covers a good deal of territory in his travels for the above company, but like every one nearly whom we have met has a particularly warm spot in his affections for Hood River.

J. B. Golt, county surveyor of Wasco county, made this office a pleasant and profitable call last Thursday while in the city. He had been out in the upper regions of east Hood River, surveying, for several days and expected to go out again in another part of the valley. Mr. Golt said that new settlers are locating in all sections of the upper country, and many new homes being established.

And still there is room for many more, and we mistake much if each available place is not occupied in the near future.

The monthly meeting of the C. E. Society of the Congregational Church was held at the home of Mrs. and Judge G. T. Prather last Friday evening and a very large number were in attendance.

After the transaction of the business of the meeting, the evening was given over to social enjoyment and an exceptionally pleasant time was the result. During the evening refreshments were served, and enjoyed by all present. The usual pleasant and affable courtesy of the host and hostess prevailed, which went far in making the social success it was.

Those present were: Judge and Mrs. Geo. T. Prather, Rev. and Mrs. J. L. Hersher, Prof. and Mrs. C. D. Thompson, Dr. and Mrs. F. C. Brossius, Mr. and Mrs. H. C. Bateham, Mr. and Mrs. A. J. THE COMMITTEE.

To The Public.

Having taken a prominent part in the election of the board of directors of the Fruit Growers' Union we wish to define our position in the matter. Every season since beginning business we have endeavored to avoid the unprofitable and useless method of competition in selling our fruit. The present members of the board have always been patrons of the Union, and when we paid \$120 for the privilege of voting for them, we did so believing we were voting for a board that would consider the interests of the growers by undertaking to avoid the expensive and unnecessary competition heretofore indulged in.

If we have assisted in bringing about such a condition, our money is well spent, and the many growers who volunteered their proxies and money, and took part in the matter are entitled to the thanks and congratulations of the entire community.

DAVIDSON FRUIT CO.

There will be appropriate music, and short addresses by interested citizens.

To Members of McKinley Club.

There will be a meeting of the McKinley Club at Prather's office Saturday Nov. 25, at 1 o'clock for the purpose of electing officers for the ensuing year and transacting any business that may come before the Club.

High Water Advertising Mark.

The New York Herald of April 17 printed an editorial statement that on the previous day (Sunday, April 16) its paid advertising reached the highest mark in that journal's history.

"The Chicago Tribune" on that same day, last Sunday, April 16, printed not only more advertising than the New York Herald but what is believed to be the greatest amount ever printed in a single issue of any regular daily edition of a newspaper. Leaving out of account the two columns of advertising printed by the New York Herald on that day in the special section devoted to the interests of Brooklyn and New Jersey and appearing only in those editions, the record of "The Tribune" for April 16 surpassed that of the Herald for the same day by more than 16,000 square lines of paid advertising. Even allowing the Herald all its claims, including its Brooklyn and New Jersey supplements, the New York Herald on that day still fell short of the Tribune by more than 1,000 lines in the actual amount of paid advertising.

These figures are given as follows: The New York Herald of April 16 printed in its main body of local, Brooklyn and New Jersey supplement, 7,823 square lines of advertising. This supplement, which contains 14 columns, was printed in 1,000 lines. "The Tribune" printed that day 22,381 square lines of paid advertising. The excess was equal to eight columns of the size of those of the New York Herald. Therefore the New York Herald printed an average of 20.25 columns less each Sunday than "The Chicago Tribune."
