Man leads police on chase

CONTINUED FROM PAGE 1

According to Baker City Police Chief Wyn Lohner, at about 3:30 p.m. Baker City Police Officers initiated a traffic stop on a 1997 Dodge Pickup near the intersection of 4th Street and Virginia Ave. The driver of the vehicle, Damon Robinson, age 41, was suspected of being a Felon in Possession of a Firearm. He is listed online as a registered sex offender. His past includes assault and burglary convictions.

Robinson's vehicle temporarily yielded and then accelerated away from officers.

Three Baker City Police units pursued Robinson's vehicle out of the city and up Old Auburn Highway.

Two Oregon State Police units and four Baker County Sheriff's units joined in the pursuit, which wound its way up to Marble Creek pass where the vehicles could go no further.

An Oregon State Police fixed wing aircraft also assisted with the pursuit.

At the pass the subject was engaged by multiple officers, but again failed to obey orders and accelerated away, this time off the road and west down the drainage where his vehicle became inoperable.

Robinson was believed to have fled the vehicle

on foot; however terrain and weather conditions prevented officers from approaching the vehicle. Scanner traffic showed that police were able to see the bed of the pickup, but not the inside clearly.

At 5:24 p.m., as snow continued falling in a thunder and lightning storm, officers terminated their attempts to locate Robinson.

Reverse 911 sent calls to citizens in the area warning residents to be on the lookout and keep houses and vehicles locked.

The next day, Robinson was taken into custody.

On May 13, 2015 at about noon, a Baker County citizen called 911 to report he had seen the suspect from the vehicle pursuit the previous day, Damon Robinson, in the Deems Loop area off of Highway 7.

Numerous units from the Baker County Sheriff's Office, Baker City Police Department and Oregon State Police responded to the area, along with the Northeast Oregon Regional SWAT team. A search began in the area Robinson was reportedly last seen.

At about 1 p.m., the citizen called back to report he had the suspect "at gunpoint," near Mowich Loop. Baker County Sheriff Travis Ash and Baker City Police Sergeant Dustin Newman, who were travel-

ling together, were first on scene and took Robinson into custody.

Robinson was transported to the Baker County Jail, where he will be lodged on multiple charges.

Multiple search warrants are pending and the investigation is ongoing.

The Baker County citizen who assisted with Robinson's arrest wishes to remain anonymous.

ORS 133.225 Arrest by Private Person, states a person may arrest another person for any crime committed in the presence of the private person if the private person has probable cause to believe the arrested person committed the crime. The person must take the arrested person to a peace officer as soon as possible.

Inmate dies of meth overdose

At 6:32 p.m. Pantle was pronounced deceased by medical staff.

On May 11th, 2015, the Oregon State Medical Examiners Office released

details to investigators on causes of death for Pantle.

The autopsy conducted by the state medical examiner revealed the remnants of a plastic baggy in Pantle's stomach. The baggy appeared to have burst

and the initial toxicology revealed a high level of methamphetamine in his system. The conclusion by the state medical examiner was "Methamphetamine Overdose."

— RANDOM ACTS OF KINDNESS —

Each week The Baker County Press will include a list—all anonymous, of course—of the good deeds and random acts of kindness people from around the area have witnessed. To include something you've seen or experienced, email News@TheBakerCoun-

• I'm hoping this can get around to the right person. But I lost my I.D. and I have been searching for it— and today I received it in

the mail. The envelope did not have a return address but I'm hoping people could share this and hopefully they have Facebook and it could get to them. But I just wanted to say thank you very much for taking the time and sending it to me. I very much appreciate it.
