place in Benton, Illinois at a later date.

Patty was born February 28, 1921 in Illinois, the daughter of Ila (Stauffer) Gelo and Anthony Gelo. She was raised with her brother F.B. Clarke in Benton, Illinois. Patty married Thomas C. many years at the Benton School District.

She was a member of the First Baptist Church in Benton.

After her husband's death, she remained in Benton for several years, later moving to Baker City 2012 to be closer to her extended family in Oregon. She was a kind and generous spirit, and we are grateful for the time we had with her.

The family would like to thank the staff at Meadowbrook Place for their loving care and support.

The Fourth of July is fast approaching and the Baker County Sheriff's Office would like to remind visitors as well as residents to drive responsibly this holiday weekend. The Baker County Sheriff's Office will be increasing patrols during this busy time in an effort to prevent and arrest alcohol as well as drug impaired drivers who endanger not only themselves but all others who share the road. The Sheriff's Office would like to specifically remind citizens that though marijuana use is now legal in our state, it is still a crime to drive while under the influence and doing so can result in a DUII arrest. Our wish is for all to enjoy the holiday weekend but we ask that people who consume alcohol or marijuana do so responsibly and protect themselves and others by not operating motor vehicles.
