Baker City, 1955-2015
David Leroy McGuire Sr. 60, of Baker City, died on Friday, August 28, 2015 at St. Alphonsus Hospital - Baker. A Celebration of David's Life was held on Tuesday, September 8, 2015 at the Baker Elks Lodge in Baker City, Oregon.

David McGuire, Sr.

David Leroy was born on March 13, 1955 in Modesto, California to Donald McGuire and Ethel Wanzer. He was the 2nd of seven children. David was raised in the Patterson, Modesto areas and attended Patterson High School.

He married Nancy Ann Silva on May 26, 1972. They were both 16 years old at the time. Two years later they had their son David, followed by daughters

Chasity and Carissa. During David's life he worked construction, roofing and welding.

David moved to Baker City, Oregon in 2011 to be near his children.

His love was being able to get out and enjoy fishing, camping, being with his family and gardening. David enjoyed a simple life, but left huge memories. He shared that the birth of his children was "the best accomplishment of my life." During his fight with cancer, he never complained and was eager to keep going. When asked "how are you?" he always replied "I'm doing good." He was always willing to lend a helping hand. He loved animals to a fault, including a little rattlesnake that he nursed to health.

He was preceded in death by his parents and one brother Robert.

David is survived by his children David McGuire Jr. and his wife Sandy, Chas-

ity Rexine and her husband Kelly, Carissa McGuire - all of Baker City, Oregon; Brothers Henry McGuire, Alfred, Albert and William Monges; sister Debbie Cortez; six grandchildren and six great-grandchildren; numerous nieces and nephews whom he adored.

Langrell, Kee, VandenBos

CONTINUED FROM PAGE 1

VandenBos said for those years as the lessee of the property, he was subject to paying those double rates.

In light of the recent settlement of the Langrell case with the City that also required Langrell to pay double water and sewer rates, VandenBos feels the City should extend similar offers to himself and others who also were subjected to the rates during the same time period.

According to Langrell, those fees were supposed to go away when the annexation occurred but it did not.

Langrell and VandenBos emerged after only a few minutes in the City Manager's office.

Langrell stated, "Well, the City Manager just

said 'I'll look into it and get back to you.' He did promise to provide Mr. VandenBos with a copy of the contract Bootsma signed with the City. But none of the contracts contain anything about charging double sewer and water rates. The only piece of paper that had anything to do with double sewer and water rates was a letter that was sent by the City Attorney at the time, Tim Collins. Because he wanted everybody to pay that but only the City Council can set water and sewer rates. Now apparently in a closed session the City Council and The City Attorney told the City Manager if anyone comes up and wants reimbursed to just ignore them. So, I seriously doubt we will see anything in the next couple of weeks."

Glen VandenBos and Richard Langrell emerge from a meeting Wednesday with the City Manager.

After Langrell and VandenBos left, City Manager Mike Kee said, "It's a policy. Richard needs to talk to the Council. I felt the Council made their policy pretty clear to me and how I'm going to handle these things is the

way the Council wants me to handle them."

Langrell expressed concern that the meeting had been closed door without the press being allowed in. He said, "This involves the public because it needs to be straightened out."
