— RANDOM ACTS OF KINDNESS —

Each week *The Baker County Press* will include a list—all anonymous, of course—of the good deeds and random acts of kindness people from around the area have witnessed. To include something you've seen or experienced, email News@TheBakerCountyPress.com with "Random Acts of Kindness" in the subject line. We'll be sure to include your story.

- My aunt and her family always cut an extra

Christmas tree or two, and then give them away to families that might have a hard time getting out to get one for themselves. I think this qualifies as very kind!

- My neighbor not only brought my wayward puppy back to my yard while I was at work, but brought over his tools and, bought supplies, and fixed the hole in the fence. He didn't ask for a thing to repay him either, just said to chalk it up as a merry

Christmas gift early. There are good people here in town.

- I watched a girl give the panhandler out by McDonalds a meal at the corner. I've heard that this is his career and he make more money begging than many of us do working. This bothers me more than I can say, but it doesn't negate the fact that this teenager (I'm guessing) was trying to do something kind for someone else. I don't think that's ever wrong.

Attention Readers:

Due to next Friday's issue falling on Christmas Day, we'll be delivering the print issue to doorsteps and stands a day early on Christmas Eve, so that those of us involved with the delivery are home with their families on the holiday.

Thank you understanding!
