"Currently, I serve as president and board member of the Baker County Law Enforcement Association. As a volunteer for the Association, I have represented and guided our Sheriff's Office employees in a leadership role for five years.

"I served my country with honor as a United States Marine between the years of 1986 and 1991. I completed two tours of duty in Okinawa, Japan, as a Marine Corps infantryman and held a secret clearance status for three and a half years. I was honorably discharged in 1991. My wife Lauri and I have been married for 14 years and together we have five children and are now the proud grandparents of eight grandchildren. As a sixth generation resident of this county, I take pride in knowing my family has called this area home for over 100 years.

"I believe the Constitution of the United States is the supreme law of the land, and as an official for law enforcement, I sustain my oath to support the Constitution of the United States and the Constitution of the State of Oregon. As Sheriff, it is my goal to represent, protect and stand for the citizens of Baker County and I will listen to and serve the people with honesty, dignity and respect.

"I believe my law enforcement background, work history, professionalism and the countless relationships I have gained with the residents of Baker County, have prepared me to be an effective Sheriff; however, I cannot put forth my endeavors alone. I encourage every eligible Baker County resident to become a registered voter and to exercise his or her right to vote through the election process. Please feel free to contact me with your questions and concerns—I am ready to listen to learn, and eager to find solutions. Please help me serve and protect Baker County."
