## — RANDOM ACTS OF KINDNESS —

Each week The Baker County Press will include a list—all anonymous, of course—of the good deeds and random acts of kindness people from around the area have witnessed. To include something you've seen or experienced, email News@TheBakerCoun-

tyPress.com with "Random Acts of Kindness" in the subject line. We'll be sure to include your story.

- I have a friend who sat up with me on the phone when my father died last month. She was there at all hours of the night while I was

trying to pull myself together. I'll be sending her a copy of this paper, so I hope you'll print this so she knows how much that meant.

- To the little gal who helped this old man pick up the folder I dropped in the restaurant, thank you!

## Love YOUR Library... WE DO!

"A library of the size and quality of the one we have for such a small county is almost unbelievable. We the citizens of Baker County should all be very proud."  
**Al Durgan**

"Our local branch library is such an important part of the community, providing information, Internet access, books, periodicals, book sales, entertainment, and a meeting place. I had this picture taken on the way to the Borrego Palm Canyon Oasis because hiking to an oasis in the desert made me think of the library! Please support the libraries and vote yes on the library levy." **Linda Collier - Halfway**

"I, like so many people over the years, have fond memories of listening to Mary Heriza read stories on the radio on behalf of the Baker County Library! In my instance, it just so happens, she was my grandmother! Now, like then, I recognize that the library remains a crucial part of our culture here in Baker! We strongly urge your vote to support the library bond renewal!"  
**Ann Heriza Bryan and Andrew Bryan**

"One of my favorite quotes is by Cicero who said, "A room without books is like a body without a soul."  
**Jim Tomlinson - Baker Co. Literacy Coordinator**

The library is a great place to bring children. Recently I have attended the free programs that are kid and family friendly with my grandchildren. My grandchildren were excited to be able to choose books to bring home and enjoy as a family. It helped create the love of learning. I feel fortunate to live in a county that has a wonderful library! **Beth Bigelow**

The countywide library system is a great asset in our rural communities.. It really enriches our kids learning experience. It helps them know about a world outside their own. But adults love it too. My sister practically lives at the Richland Library." **Walt Forsea**

### VOTE YES TO RENEW LIBRARY LEVY
