### Robert "Bob" Edward Knox

CONTINUED FROM PAGE 2

He was widowed two times during his life. Bob married Diane Shawgo and after her passing he married Janice Samson. Fishing, hunting, mining, gardening, raising animals, camping, and spending quality time with his family and friends were some of the things he enjoyed doing during his life. Bob had affiliations with the Friends of the NRA, the Eastern Oregon Mining Association, and the Gold

Prospectors of America. Some of the things he was proudest of in his life was his service in the Korean War, raising seven children, helping to raise his brothers and sisters, building clocks, driving race cars (specifically car #34 Alley Oop), and being an avid outdoor enthusiast. Bob is survived by his daughter and son-in-law, Rebecca and Scott Guthrie of Haines, Oregon, his son and daughter-in-law, Robert and Clara Knox of Baker City, Oregon, and son and daughter-in-law Curtis and Kathy Knox of Haines, Oregon and a daughter-in-law Annette Knox of Coos Bay, OR.

He is also survived by four brothers and three sisters, 17 grandchildren and 18 great-grandchildren. He is preceded in death by his parents, first wife Diane Shawgo, second wife Janice Samson, son Steven Knox, brother Bill Knox, sister Rose Bybee, and other loved ones. Memorial contributions may be made to the Friends of NRA, Eastern Oregon Mining Associate, or Best Friends of Baker City through: Coles Tribute Center 1950 Place St., Baker City, Oregon 97814. ## Culvert replacements to close roads

In order to replace three culverts and complete associated road work on the La Grande Ranger District, the Forest Service will be temporarily closing four Forest Service Roads (FSR). The road improvements will enhance public access by repairing the road surface and reducing sediment delivery into Sheep Creek and East Sheep Creek.

Additionally, the culvert replacements will provide improved fish passage. Roadwork will begin on Tuesday, July 5 and is expected to last until the end of August.

The specific temporary closure schedule will be implemented as follows:  
 July 5- August 31: FSR 5184, FSR 5182 and FSR 5182510 in the Sheep Creek area south of Vey Meadows and west of Chicken Hill.  
 The construction work will require the full 18 miles of these roads be closed during repairs, and the closure signs will be posted from FSR 51 and FSR 52.  
 July 11- August 11: FSR 5160 at Sheep Creek crossing. The closure area will include a one-half mile length of FSR 5160 and

will be marked from FSR 51 and FSR 52. Alternate routes in the area include Forest Service Roads 51, 52, and 5155. Construction activities will be ongoing, so the Forest Service asks that visitors respect the closures for public safety. For additional information on the road repairs, please contact the La Grande Ranger District at 541-963-7186. ## Expect construction in Pyle's Canyon

Starting July 11, motorists can expect delays along the La Grande-Baker Highway (OR 237) that runs through Pyle's Canyon between Union and North Powder. Contractors working for the Oregon Department of Transportation will be paving the highway between mile posts 17.4 (south end of Union) and 20.5. Travelers should plan for up to 20-minute delays

with flaggers and pilot cars directing single-lane traffic through the work zone. The travel lane will be reduced to about 12 feet in width, including sections with sharp curves. Wide vehicles and farm equipment will need to use alternate routes. The work is expected to take place between 6 a.m. and 7 p.m. and take about two weeks to complete. Travelers are advised to

slow down, watch for crews and equipment and follow directions of flaggers and pilot vehicles. ODOT reminds everyone to ditch the distractions by putting cell phone and electronic devices away and paying extra attention to the roadway. Traffic fine are double the amount in all work zones, whether workers are present or not.
