Lorraine Wells

Sumpter, 1934-2016

Lorraine Wells, 82, died on June 1, 2016 at her residence in Sumpter, Oregon. There will not be a service.

Lorraine Wells

Lorraine Eloise was born on March 27, 1934 to Paul and Georgia (McGee) Maxim in Redding California. In 1954, Lorraine married William "Bill" Ward Wells in Anderson, California. They had two children Geoff and Sydney.

During her early life as a young adult in Redding California, Lorraine was a lifeguard at the local Municipal Swimming Pool in the summer and a skier with the Mountain Rescue Team during the winter. She was also an expert horsewoman and trained horses for many years.

Lorraine and her husband Bill lived in New York City, Atlanta, Portland and Maui. While living on the island of Maui, Lorraine became a realtor and had a successful real estate career selling million dollar homes before moving to Sumpter in the 1990s. She became a broker in Sumpter and opened her own real estate office, Sumpter Valley Real Estate. Lorraine was an expert in sheep raising, wool spinning and weaving and loved sharing her knowledge with others. Lorraine was nearly deaf for most of her life, but she learned to read lips and with the help of hearing aids was able to function well.

Lorraine was very generous and would give her last dollar away without a thought if she thought someone needed it. She always had faith that God would provide and look out for her.

She was preceded in death by her husband Bill Wells.

Lorraine is survived by her children Geoff Wells of Sumpter, Sydney and her husband Maurice Smith of Makawao, Maui, Hawaii and granddaughter Jezi Wells of Baker City.

For those would like to make a memorial donation in memory of Lorraine, the family suggests the Sumpter Library, as Lorraine absolutely loved spending time there. Charlene Dora Thompson Gordon of Baker City and longtime resident of Eastern Oregon, died peacefully in her residence at Settler's Park Assisted Living, Sunday, July 10, 2016, surrounded by her family and friends after a 25 year long battle with Parkinson's disease.

During their marriage Jerry and Charlene had two children. In 1962 they welcomed a daughter Debra Marie. Four years later, Jerry Jr. was welcomed into the family.

Charlene loved the outdoors including hunting

and fishing. When the opportunity presented itself you could often find her fishing for Salmon with Jerry and other friends and family along the North Jetty at the mouth of the Columbia River.

Charlene Gordon

This particular location on the Washington Coast held many special memories for Charlene, as she spent many vacations there with friends and family, including her children and grandchildren.

Anyone who had the pleasure of meeting Charlene knew that she had the best sense of humor and while Charlene was known by some to be a proper lady who would never dream of using a foul word or muttering anything deemed inappropriate, those who knew her best knew would say that she could swear like a sailor and tell the dirtiest of jokes.

However, if anyone would point out either of these things, she would admittedly deny that it had happened.

More than being witty, Charlene held a multitude of talents including a green thumb that allowed her to grow just about anything she put her mind to.

It was well known that she always had the most beautiful garden and flower beds on the block.

Baking and cooking in general, was a special gift possessed by Charlene. She spent many years making beautiful cakes of all shapes and sizes, including wedding cakes for a number of family weddings and numerous other special occasion cakes.
