County Commissioners

Lackey said that, if the changes the Daniels made were negative in nature, he could see the need to remand the request back to the Planning Commission, but the changes don't result in negative impacts. Bennett and Harvey agreed that the request includes significant changes, and that the request, as presented at the session, wasn't the original request the Planning Commission approved. Harvey apologized to attendees, but he explained that the matter would necessarily have to be remanded back to the Planning Commission. Bennett moved that the request be remanded, in order to address the modifications, and to give the Board a recommendation, based on the modifications. Kerns seconded the motion, and the motion carried. At this point, the majority of attendees

exited the Commission Chambers (no further testimony was taken).

Order No. 2016-157, Appointing Members To The Baker County Board Of Property Tax Appeals, was approved, with the addition of Bruce Nichols, as County Governing Pool Alternate, with a motion from Bennett, and a second from Kerns. The following were appointed, their terms set to expire on September 30, 2017: Bennett, representing County Governing Pool; Laurene Chapman, representing Non-office Holding Pool; Sharon Bannister, representing Non-office Holding Pool; and Jerry Kincaid, representing Non-office Holding Pool—Alternate.

Bennett provided a Tri-County Weed Management Area (TCWMA) update, which included the mention of the new TCWMA Director, Samantha Bernard. In ongoing discussions with the TCWMA, regarding issues

with TCWMA structure and funding, Bennett said that Baker County has had, historically, a larger need for the services of the program, but the future of the TCWMA is uncertain. He said that Baker County is prepared to withdraw from the program, if issues are not resolved, but the funding allocated to the County would still be available, if this were to happen, though he desires for resolutions to the issues, rather than for the County to separate from the TCWMA.

A Commission work session, on Wednesday, October 12, 2016, 9 a.m., is scheduled to include a discussion with representatives of Blue Mountain Community College, and the 5J School District, regarding claims about issues with BMCC services, made by former BMCC Associate Vice President Peggy Hudson, during the last regular session, on Wednesday, September 21.
