Baker County hit hard with snowfall this winter

Submitted Photos.

Top left: Jake Brown submitted this photo of the Exhibit Hall at the fairgrounds in Halfway. Heavy snow took it down this week, along with the roofs from at least 16 other structures in the Pine Valley at the time Brown counted on Wednesday afternoon.

Top right: Joelle Crowther submitted this photo in front of their house in Baker City. Pictured back to front counterclockwise are Kayson, Mayci, and Belle working in the tunnels.

Middle left: Keith Jones and Vivien McQuisten pose for Suzan Ellis Jones during feeding. Jones has run the cat five times this past week, clearing off two and a half feet of snow. Temperatures dropping to -28F in the Bridgeport area weren't easy on cattle.

Middle right: Dave and Betty Huntsman's deathcicles a few miles outside Baker City took some creative knocking down this week.

Bottom left: Union County Emergency Services took this photo on Tuesday outside Elgin, showing that the neighboring county has also been hit hard.
