Rewards and Reminders outing ahead

Baker County Safe Communities Coalition is conducting another Rewards and Reminders outing in Baker County. The program will take place during the month of March, 2017.

The Rewards and Reminders Program has been implemented in various cities and counties across the nation. The program has proven to reduce the sale of tobacco to youth and subsequently reduce the use of tobacco by minors.

The Program is not punitive in nature. Our goal is to increase awareness among local retailers about the issue of teen tobacco use. In most communities, retailers that sell tobacco products are very supportive of the program. This program is not a sting operation playing "gotcha"

with our local merchants.

The Program is made up of a team of volunteers, including youth (15 - 17 years of age) and adults.

A team of two youth and one adult will make contact with a local retail store. The youth will enter the store and ask the clerk if they can purchase a tobacco product.

If the clerk attempts to sell the tobacco product to the youth, the youth will not accept the tobacco product; instead the youth will give the clerk a letter advising him/her that they almost sold tobacco to a minor.

The purpose of the letter is to remind the clerk that Oregon Law requires retailers to check identification before selling a tobacco product. (The Safe

Communities Coalition will offer training information to the clerk if he/she attempts to sell tobacco to a minor.)

If the clerk asks the youth for identification and refuses the transaction, the youth will give the clerk some type of reward (gift certificate to a local business) and letter thanking the clerk for not selling tobacco to a minor.

There is no illegal activity in the process because the youth do not actually purchase or touch the tobacco product.

The Rewards and Reminders Team appreciates the support of the Baker County Community. If you have any questions in regards to this program please call Ray Day at (541) 523-8215.
