A public hearing was held in the matter of Order No. 2017-138, Adopting A Fee Schedule For The Baker County Juvenile Department. Martin explained details regarding the order, which includes an increase in the detention fee for The Dalles-based Norcor Juvenile Detention Center, from $165 per day, to $180 per day, effective July 1, 2017. The order was adopted, with a motion from Bennett, and a second from Nichols.

Order No. 2017-140, Appointing Members To The Eastern Oregon Coordinated Care Local Community Advisory Committee, was approved, with a motion from Bennett, and as second from Nichols. Eric Griffin, Aubreyanna McCutchen, and Torie Andrews were appointed, their terms set to expire on February 1, 2020.

During Commissioner Update, Harvey discussed details regarding the Tri-County Weed Management Area (TCWMA) "saga," which includes issues that remain unresolved. This is a program that originated in Baker County, but through management changes, was ultimately headquartered in La Grande.

Both Harvey and Bennett said there were and are, among other issues, a lack in communication from Tri-Co, a lack of Tri-Co-associated staff in Baker County, and concerns about the benefits to the County versus the funding allocated, since most of the work is performed here. Nichols expressed concern about being a member of Tri-Co, since the County isn't receiving full benefits, and Bennett said that, by fall, if there's no resolution, the County will consider withdrawal.

Harvey said that there is no signed agreement between the County and Tri-Co currently, and that he doesn't anticipate moving forward with the partnership, unless the issues with Tri-Co are resolved. He said that he wants to see staff here in Baker provided by Tri-Co, an idea that was inexplicably rejected by Tri-Co, but that a County employee position could be created, and direct grant funding to the County sought, if all else fails. He said that a Tri-Co representative will be here during the Wednesday, August 2, 2017 regular session to discuss an agreement, but Harvey has no desire to sign it, with unresolved issues.

An invoice to the County, from Union County, for Eastern Oregon Counties Association (EOCA) membership dues, in the amount of $14,200, was also discussed. Harvey said he doesn't see major benefits from being a member of EOCA, and that the budgeted amount for EOCA dues should be $10,000, about which Bennett also expressed confusion, and Martin said she understood the previously approved amount to be $10,000, during a session, and that she will check the session minutes.
