## Shepherd, L. Harris Pace Sande Court to Grid Title

Led by the pass-snagging of end Art Shepherd and the accurate throwing of quarterback Lonnie Harris, Sande Court upset a two-touchdown favored L's Lions at Hopkin Jenkins field last Wednesday night, 13-8, to win the American league seven man football championship.

The power-laden Lions were seeking their second consecutive seven man title. But they had to cope with the elusive Shepherd and pitching Harris. This duo combined their talents to garner through the air an attack that offset the ground work of L's unhappy crew.

Shepherd intercepted a Clark Anderson pass early in the first half and streaked down field to score Sande's first TD. Halftime score favored the Courtmen 6-0.

Sande scored again in the third period when Harris, fading back to his own 40, hit Tonander with

## Estella Allen Returns from Japan

BY KATHRYN BOGLE

Home from Japan is Estelle Allen, who has been overseas an exciting 33 months. Miss Allen, a Portland girl and graduate of University of Oregon, had a most interesting job. She was Club Director for a Headquarters club for servicemen in the Southwest Command, a military designation for southern Japan.

During the past year Miss Allen was stationed at Kobe, and previously she saw duty at Osaka, Gifu and Nagoya.

At Kobe, Miss Allen, assisted by two American hostesses and a staff of 12 Japanese, was responsible for the smooth-running operation of a \$100,000 service club which regularly served 5,000 men of the integrated armed force. She, with her hostesses and the co-operative townspeople, planned recreation for the men including ping-pong matches tennis games, tours and hikes through the countryside, and parties and dances. She worked hard and loved every minute of it.

Return date to Japan has not been set by Miss Allen. She has a lot of visiting to do with family and friends first of all, and there just may be a wedding to plan—her own! Miss Allen is with her parents, Mr. and Mrs. Virgil Briggans of 2505 N. Albina Avenue.
