

MACHEN TRAINING FOR BOUT

Eddie Machen is training heavily for his forthcoming match with Burt Whithurst on the 23rd of April in Los Angeles, California, at the New Sports Arena.

Machen is the Nations No. 2 contender for a shot at Floyd Patterson for the heavy weight championship.

Machen stated that he offered to fight Sonny Liston, but for some mysterious reason, Liston will not fight him. Sonny Liston decided Machen in 1959, and 2 weeks before the bout Machen had injured himself by pulling a ligament in his right shoulder while in training for the fight. In spite of his injuries Machen fought the full 12 rounds, giving Liston one of the best battles of his boxing career. Machen made an agreement with Liston prior to the match, stating that should he defeat Liston, a return match was promised. Unfortunately he was defeated. Machen predicts Sonny Liston will defeat Floyd Patterson, for the Heavyweight Championship of the World. Also indicated by Machen was his desire to meet Archie Moore if the purse was right.
