Mrs. Lee Thompson of the Cotton Club has become the envy of quite a few ladies around the town with her full length autumn haze mink coat. She has become quite the center of attraction.

Daughter Ora Lee Martin, 4105 N. E. Cleveland gave a luncheon on Saturday, March 31st for Portland Daughter Ruler Council members of Elk Auxiliary. Out of town guests were Dtr. Laurdean Grant and Dtr. Gatha Glover of Spokane, Washington. Local guests were Dtr. Lillie Richardson, Dtr. Elsie Gilks and Mildred Lee. A menu of deviled eggs, stuffed celery, crab salad, cheese bits and ice tea was served. A lovely time was had by all.

The local chapter of Kappa Alpha Psi brought the dazzling world of men's fashion to Portland Sunday evening at the Ho-Ti Supper Club.

This was the fourth annual presentation of this event which becomes more elaborate every year. As you have probably already heard this years show was the finest so far. If you were so unfortunate as to miss it, then you have missed what will more than likely be the most gala affair of the season.

The show for the first time included a few girls to add a bit of "spice" to the occasion. The womans touch was also added to the commentary in the person of Mrs. Althea Williams, wife of Mr. Emmett Williams who played the piano background music for the show. Most of the models were outfitted by either Lew's Mens Shop, Lipman's Mens Cellar or Millers 607 Shop. There were garments shown to cover the entire range of purpose and taste in color, tailoring, styling, fabrics and more important every price range was exhibited.

The evening was punctuated with solos by Camilla Kinard and Oscar Haynes. Door Prizes from Miller's, Lew's and Nudelman's were won by Mr. James C. Crolley, and Mrs. Dorothy Hasting.

Music for the affair was furnished by Cleve Williams Ensemble.

The Kappas would like to thank you for your support.

**VOTE
FOR ---
JOHN TROUT
Multnomah County
SHERIFF**

I FAVOR HOUSING FOR LOW INCOME FAMILIES

1. Anative Portlander, I was born Sept. 29, 1911, and have spent all my life in Portland. I attended Albina Homestead grade school, Jefferson High School, Behnke Walker business college, and then entered into the general insurance business. I am now employed by Specialty Auto Glass in public relations. My wife and I own our home at 4622 N. Haight Avenue. I am a member of numerous civic organizations.

2. Because I have great faith in the laws that protect us, I am sincere in my determination to bring about honest law enforcement - without fear and without intimidation. The only previous public office which I have held was the elective office of precinct committeeman in 1938. If elected sheriff of Multnomah county, I will make every effort to accomplish a better understanding of what needs to be done, and to the best of my ability I will fulfill all that I promise.

3. To make firm, sincere decisions after sound advice. To bring to the office of sheriff "honesty with integrity" with fairness in the best interest of all.

4. And what about the juveniles - your children of today? Are they becoming the criminals of tomorrow? By good judgement, wisdom and guidance, where does this responsibility rest? With the parents, schools, churches, courts - or with law enforcement. Once these youngsters have reached the law enforcement level, then it is the duty of the sheriff and those about him to guide and help them, rather than turn them into worse offenders of law and society.

5. YOUR interest in support of good government demands YOUR intelligent vote to help determine what YOU want and need. Only by voting can YOU express YOUR needs ...casting YOUR ballot is the only way YOU can get results.

I will do my utmost to help YOU get those results. YOUR consideration and vote will be greatly appreciated.
