

Junior-Senior Send-off Held at Canby Auto Park

The Junior-Senior send-off took place at Canby Auto Park this year, on May 10. A large number of students were taken in machines to the park. No one lost much time in finding amusement. Four bathing suits served three times as many people who went swimming in the Molalla during the day. They all declared that the water wasn't half so cold as it might have been, two rather unseaworthy boats furnished much fun, also.

A football game and two baseball games caused a good deal of excitement. Balls went flying over the tree-tops and through the brush with students scrambling after them.

Everyone played so hard that the potato salad, baked beans, sandwiches, cake and ice cream were much enjoyed at lunch time. John Moffatt, senior class president, cut the large cake that had been ordered especially for the occasion. It was frosted in blue and gold and bore the lettering: "Seniors '24" upon it.

After lunch three-fourths of the boys' quartet gave a concert with the aid of Karl Lettenmaier and his mouth organ.

About 7:30 the last cars started for home. Everyone agreed that the Juniors certainly know how to entertain.

G. A. R. HOLDS MEMORIAL PROGRAM IN U. H. S. AUDITORIUM

Meade Post No. 2, G. A. R. held their memorial service in the U. H. S. Auditorium on Sunday, May 25, at 2:15 P. M.

The program was very interesting. It consisted of the following numbers: "Tenting on the Old Camp Ground", by the Girl's quartet; Invocation, Rev. Lathrop of the Methodist Episcopal church of Oregon City; Piano Solo, "Sousa's March," Herselberg, by Dennis E. Kidby; Vocal Solo, "Star Spangled Banner," Mrs. D. C. Christiansen; "The Old Flag Never Touched the Ground," Mr. R. E. Jackson and the Willamette Sextette, composed of Mr. and Mrs. J. L. Gary, Mrs. Frank Shipley, Mr. and Mrs. W. W. Davis, and Mrs. Ewald Leisman; Violin Solo, Duncan Christiansen, Jr.; Announcements, Prof. J. L. Gary; Memorial Address, Rev. J. R. Schaeffer; Songs, "The Boys Who Wear the Blue are Turning Gray", and "Brave Heart, Sleep On," by the Willamette Sextette.

The selection by the Girl's Quartet was accompanied by Miss Aletha Kidby, and the other selections by Miss Clara Bartholomew.

Mail Carriers Get Holiday

Out of 1104 ballots received by the Oregon City postoffice in reference to the mail carriers having Saturday afternoons off, but six voted against it. All the votes were in Wednesday night and the final count completed Thursday. As soon as word is received from Washington, consenting to the plan, the men will begin having the half holiday.

Mildred Charles received a few minor cuts and bruises when she fell from the running board of Ruth Robinson's car on May 15th.

Miss Schaefer—Has any one else a question?

Hicky—Yes, What time is it?

Union High Glee Clubs Present Annual Concert

On Friday evening, May 9, the third annual Glee Club concert was held in the high school auditorium.

The program was considered one of the greatest success of the year. The selections by the Green and Gold quartet were appreciated by the large crowd in attendance. Miss Elsie Turel, senior, favored the audience by two interesting readings.

The glee clubs made very good showings.

The girls quartet, composed of Misses Veatrice Rauch, Vivian Rauch, Joyce Mercer, and Elsie Turel, sang several entertaining selections.

Much credit is due to the faithful instructor, Miss Eleanor Haskell for her never-tiring services.

Piano solos by Miss Clara Bartholomew and Dennis Kidby were thoroughly enjoyed.

The Willamette orchestra furnished some snappy music.

A total of \$60.00 was taken in.

School Cafeteria Ends Year of Lunch Service

The cafeteria of U. H. S. is closing a successful year. It has been a great boost to U. H. S. during the past year and has certainly been convenient for the students.

The first and second year cooking classes under the supervision of Miss Eleanor Haskell have worked very diligently to make the cafeteria a success.

For the past two years the high school has endeavored to establish a cafeteria but could never succeed in making it pay so had dropped the plan until this year. When the new gymnasium was built and the boy's manual training room was moved to the new building, the former shop room was made into a cafeteria room, where meals were served every noon.

The cafeteria has about \$40 in the bank after paying all its expenses. The proceeds will be turned over to the school for buying new equipment for the cooking room.

Miss Haskell is planning to make the cafeteria a larger success next year by employing an outside lady to take charge of it.

The Amplifier's influence was largely instrumental in inaugurating the cafeteria this year.

Mr. Davis—You have no strings or your violin?

Dunkey—I thought we were to play a wireless concert tonight.

Jewelry Is the Gift of Gifts

Always has been. Probably always will be.

AN ideal present must be more than useful. That intangible something called sentiment is one of the most real things in the world. The dainty creations of the Jewelers' art convey this expression better than anything else can. So there is a sound, human reason why Jewelry is the gift of gifts. All this is preliminary to telling you that this store carries gift possibilities expressing the above ideas to the fullest extent.
