Girls Volley Ball
This was the first year that U. H. S. was known to play volley ball. By under the able supervision of Miss Clark, each class in the school organized a girls' team. Much competition was shown in the interclass games and the Juniors unwilling to let another class beat them, won the championship in volley ball.

A good game was played by both teams, and although U. H. S. put up a hard fight, we lost with a score of 5 to 2 in favor of O. C. H. S.

Interclass Baseball
Interclass baseball games were played by the girls last week, all four classes taking part. The first game was that between the Freshmen and Sophomores, the latter winning high honors. The second game was played between the Juniors and Seniors, the Juniors winning by a large score.

The tie was then played off between the Juniors and Sophomores, the Juniors coming out at the little end of the horn. A large crowd witnessed the championship game, the reason being that the game was played during the noon hour. It so happened that the game lasted longer than was expected, so the fifth period was short.
