

**Game With Woolen Mill
Closes Season for Girls**

Tuesday, March 11, the girls' basketball team journeyed to Mt. Angel and came back with a victory of 28 to 21. This is the first time the local sextet has met the Mt. Angel team.

Coach Baker began the game by using the second team. However, before the end of the first quarter, the Mt. Angel girls had run up a 7 to 3 lead over the West Linners. At this time the first string of West Linn's squad was put in. The green and gold players began to gain on the other team, until at the end of the half the score stood 15 to 13 in favor of West Linn. The local girls had no trouble holding the lead during the remainder of the game.

This game was the first that has ever been lost by the Mt. Angel girls that was played on their own floor. Defeats on other courts is probably partly due to the slick floor on which they play.

After the game the girls were given a banquet.

Mr. Gary: What makes the legislature so glum these days, Mr. Brown?

Mr. Brown: It has just discovered that it passed a law that everybody can understand.

Mrs. Main—D'you know, I haven't spoken to my wife for five weeks.

Mr. Gary—Don't worry old man, your turn will come next.
