

JOKES

"What verse in the Bible best describes the college student?"

"They toil not, neither do they spin, yet Solomon in all his glory was not arrayed like one of these."

Miss Edgerton (speaking of hygiene)—"Why must we always be careful to keep our homes clean and neat?"

Rosa—"Because company may walk in at any moment."

Hewitt — Opportunity knocks once at every man's door.

Jewett—And it ought to have enough sense to ring the bell.

"Hello, Hack! How are you and your girl getting on?"

"She played me a mean trick, and I quit her."

"How's that?"

"She married another fellow."

Miss Pearson: What are you late for?

Hamilton Johnson: Why—uh—er English, I suppose.

Mrs. Davis in cafeteria: Milk or water?

Ed Wells: Don't tell me. Let me guess.

WHAT IS A MUSIC LESSON?

"Popularly the term is held to refer to a Lesson in the playing of an instrument. Actually, it should embrace every kind of lesson in the Art of Music: the student should be brought into touch with the living inward Spirit of Music.

There is no real Ultimate Compensation for those who grasp at the Shadow of an Art and miss its Eternal Substance."
