

Sports Dope

By JIM WHIPPLE

This week's game will undoubtedly prove the toughest league game this year, and the Lions get a lucky break in having the contest scheduled on their home field. Despite the loss of 17 let-termen from last year's squad, Beaverton looked plenty tough at the Jamboree at Hillsboro and is so far undefeated to maintain a tie with West Linn for top place in the conference. The way your correspondent looks at it, the game this week will undoubtedly decide who will take the championship of the TYV this season.

The W. L. eleven looked surprisingly strong against the foxy hyper-duper offense of Newburg, and bogged down against Hillsboro, but so far it has been difficult to tell how strong the center of the line is. And the line will take a beating at the Oregon City game three weeks from today.

Captain Vinton said this week that he expects to remain in school for the rest of the season, and if so he will provide a welcome asset to both the offensive and defensive tactics of the squad, with his signal-calling, blocking and line backing.

Cross Country Team Developing

It looks as if Bill Holden has the top position on this fall's cross country team. Coach Fors expects to develop distance men for his track squad next spring from his cross country boys. Incidentally, the track team should look fairly strong next year with only a very few graduations among the track boys.
