Spring promises to be a successful season in the athletic activities of West Linn high school. All of the coaches say that they have excellent material to work on this year.

In baseball, there are four lettermen back from last year: Hollenbeck and Herndon—infield; Williams—pitcher and Schmidt—outfield. Others who have indicated their intention of coming

out are McLaughlin, Baisch, Wolfe, Eden, Pederbaugh, Gassner, Peterson, Fuson and Barthelmow. King, second-string catcher of last year will also come out. Another prospect is Bob Baker a transfer from Eugene.

Mr. Brown urges any underclassmen who have ability to come out and make the team.

In the track department, according to Coach Fors, the outlook is pretty bright, but, quoting Coach Fors, "There is many a slip between the lip and the cup."

Mr. Fors said that in the ten years he has been here, it is the first time that he has had sufficient material, also there is at least one letterman in each event.
