

Phil Moll Presents Musical Program

Bursts of applause followed each number presented by the Phil Moll Music company program which was given at the West Linn High School on Tuesday. The students were entertained by many musical numbers. The novelty number was "The Three Trees," which had effective sound effects when recorded for a phonograph record. The brass choir and school yells were also recorded on a phonograph record, which were both played for the students after they were made.

Committees Named at Legislative Meeting

In the legislature meeting, Wednesday, three committees were appointed. Phyllis Miller, Betty Kylo, Ed Woodworth, Junior Silvers and Betty Young with Mr. Oppenlander as supervisor were appointed to take care of the budget. Another committee was appointed to take care of finance, those appointed were Betty Easson, Bill Bolz, Eugene Booth and Janet Wievesick. The third committee is to decide on constitutional procedure. Those appointed were Floyd Nordurft, Doris Draper, Audrey Kern, Marilyn Miller, Betty Downing and Art Hubner.

It was also decided that the members of the legislature should open a discussion in their home rooms for the purpose of finding what the students think about a student body and the way it functions.

Mr. Oliver Is Now Convalescing

Mr. Oliver, after being rushed to the hospital on Thursday, Mar. 13, for an appendectomy, is now convalescing.

Thursday morning he complained of not feeling well and Mr. Gary suggested seeing a doctor. By 11 o'clock he was on the operating table.

Mrs. Oliver will be teaching his classes until his return.

EXCHANGES

"Movies are educational, don't you think?"

"I guess so. My wife went to one and learned she needed two new dresses."

—Thanks to Truk-Age.

A husband found some holes in his sock and said: "Wifie, dear, why haven't you mended these?"

"Hubby, darling, did you buy me that coat for Christmas as you promised?"

"N-no."

"Well, if you don't give a wrap, I don't give a darn."—
Thanks to "The Balance Sheet."

Biology Class On Beach Trip

The biology class, Saturday morning, March 15, went on their annual beach trip to Road's End and Nelscott.

Under the guidance of Mr. Shearer, the class spent the morning obtaining biological specimens at Road's End. Many interesting objects were collected, although Mr. Shearer reports the supply of sea life much less abundant than formerly.

The students spent the afternoon at Nelscott in recreation, with the privilege of the choice of several different activities.
