

PIONEER SPORTS

SPORTOSCOPE

By HOWARD ARNOT

It looks as if we should have sent our faculty team to the state tournament, doesn't it? They looked pretty good out there against the varsity. I liked some of the football plays they brought in. Maybe "Water Boy" Cash was just playing smart with his shin and eye guards.

Track Squad Looks Good

Has anybody seen a broad jumper? If they have, will they please notify Mr. Jones immediately. Of course, he can use anything else you have too, but, as yet, he hasn't anyone who can soar out there very far. Maybe some of you would like to know just who will be carrying the school colors in track this year. In the mile, we have two newcomers, Cole Timberman and Arnold Stanley. At the state meet last year the mile was won in 4:35, and last week in practice Cole did it in 4:38, with

Oregon City Takes Beating From Molalla

Oregon City's first track meet, on April 1, was lost to Molalla by a 94-28 decision, in which Molalla took every first place but two. The two first places for O.C. were in the 440, taken by Charles Holmes in 54.1 and the high hurdles taken by John Sonderon in 16.9.

Howard Arnot showed promise in the century and 220 by placing second in each event.

Results:

120 yard high hurdles, Sonderon, first place.
100 yard dash, Arnot, second place.
Mile run, Roake, third place.
440 yard, Holmes, first place, Nizich, third.
220 yard low hurdles, Sonderon, third place.
220 yard dash, Arnot, second place.
880 yard run, Bidgood, third.
Pole vault, Allen, second.
High jump, Christensen, second.
Discus, Christensen, third.
Javelin, Davenport, third.

O. C. Faculty Show Up Varsity in Game

By M. CHRISTENSON

Activity period saw a rough and ready game between Flash M. Dimmick, Deadeye Jones, Snagger Park, Deadpan Bauer, and Skyrocket Coach Dimmick. This flashy aggregation stood a team composed of the varsity, Holmes, Leatherberry, Jordan, Gettel, Bevans, Mills and Lavier.

Canby Tossers Defeat Pioneers

Due to mental error, the Pioneers lost a hotly contested baseball game to the Canby tossers, 12 to 11, April 1.

Oregon City played heads up ball throughout the game. Once Pat Knoop stole home, an unusual and risky thing to do. Knoop also accounted for three runs, and hit a grounder for a double.

Of the three pitchers who entered the game for Oregon City, Musaw Kimura pitched the best ball, laying in an overhand fast ball with plenty of stuff behind it. Bob Mathers also pitched nice ball, using a nice curve and sidearm fast ball.

Batteries for the game were: Oregon City, Maddax, Mathers, Kimura and Knoop. Canby: Bug-gins, Nibs and Williams.

Senior Softball Team Wins Again

Once again "age" was victorious over youth, as the Senior softball team handed the Sophomore and Junior team a sound thumping, 9 to 5.

The main difference between the two teams was the fielding of the Seniors. Batters for the game were Christensen and Day for the Seniors, and Allen and Miller for the Junior-Sophomore team.

Donnell, Wanda Teeple, Joe Bruner, Jemison and Jean Morrison.

BY RICHARD MADDAX

With the opening of the No Name league baseball just around the corner, Sylvester "Red" Kress, the Pioneers only senior letterman, is grooming his fielding, preparatory to being the key defense man in the Red and White infield.

Sylvester received his first baseball experiences as a freshman in Clovis high school in California, playing junior legion ball that summer. He transferred to Oregon City and started his three years on third base as a sophomore. In his first year, "Red" batted 300, and was a key defense man in 1939, the year Oregon City had one of its best baseball teams.

Red is 5 feet 11 inches tall, weighs 155 pounds and is 19 years old. Upon his shoulders, as a senior will fall largely the task of

Pioneers To Meet Milwaukie Maroons In League Game

Tomorrow the Pioneer tossers will go forth in their first No-Name league game when they play the Milwaukie Maroons.

The Oregon City nine has lost its first two games this season, 12 to 7 at Molalla and 12 to 11 at Canby. However, both of these teams defeated Milwaukie twice by a large score.

The Pioneer infield: Kress, Hansen, Mills and Henrici, have been getting more experience in every game and should begin to click. Mills especially, has been playing a whale of a game at second. Henrici seems to be the slugger of the team, as he is batting around 400.

Probable starting line up for the Pioneers is Teramura, Minger, Kress, Knoop, Henrici, Hansen, Mills and Hamblin, with Don Moore doing the chucking.
