Introducing the May Day Manager

During his time at West Linn, Chick Elliott, May Day manager, has been very active in Student Body affairs and one of the most popular students around school because of his good sportsmanship. His freshman year he was elected vice president, earned his letter in track and played on the freshman basketball squad. When a sophomore he was elected president of the class, earned his second award in track and played freshman basketball and some on the varsity squad. When Chick was junior, he took his first interest in football. He played on the B squad for several games, and then he was moved up to the A team, where he made a good showing for himself in the games he played. Chick earned his first letter in basketball during his junior year, and was truly the spark plug of the team because he was so fast and aggressive on his feet. During his junior year, Chick went to the State Meet to compete for honors in 100 and 220 yard dash. He won 5 medals.

In his senior year, Chick was elected to be judge on the West Linn Student Court. During football season, Chick was ill quite a bit, but earned his letter with plenty of quarters to spare. Chick's very fast legs brought many touchdowns to West Linn this year. In basketball, he again made his letter as a regular and was second high man on the team in points during the year. Because of his three years' previous experience, Chick was selected by the trackmen to become the team's captain of "41." So far this year, Chick has done

QUEEN BARBARA I

Courtesy Oregon Journal

Miss Barbara White, the 22nd May Day Queen at West Linn, is five feet five inches tall, and has honey blond hair. She was born in Myrtle Creek on June 10th, 1922 and has gone to Lake Grove grade school for eight years and high school at West Linn for four years. Her ambition is to go to a business school and be a private secretary or to be a nurse. Her hobby is collecting antique perfume bottles and her favorite flowers are red roses.

When asked what she thought about May Day, being elected queen and all, Barbara replied: "My court and I were more than pleased to be selected, and as a group to rule for May Day, we hope that everyone will have a most enjoyable time. We shall put every effort forth in making today a successful day."

good work in track, but has not quite hit his top form, when he does, he is really going places. To top things off for his senior year, Chick was elected by the Student Body to fulfill the task of May Day manager. Chick is very capable of handling this job, and will undoubtedly make this one of the best May Days West Linn has ever had. Truly during his four years at West Linn, Chick has been one of the most outstanding men of his class.
