BOB GASSNER

Next year will be a trying year in the operation of any government, that is why Bob Green is the man for the office of Student Body president. Bob has the determination and ability to make the best president that has ever presided over West Linn's Student Body. He is honest, conscientious and dependable in his school work or any responsibility he has been called upon to undertake. These characteristics would undoubtedly show up in a position as the Student Body President. We should therefore give our whole hearted support to Bob Green.

The only person capable of fulfilling the vice presidency with its tremendous duties and responsibilities is Frank Bracelin. He has had considerable official experience in this field as president of the Future Farmers of America.

The West Linn Student Body will not go wrong in selecting Frank, as he knows how in discharging all the duties of the vice presidency. Frank is a willing and hard worker who will devote much of his time to this position. Alert, eager, and ever-ready to suggestions or ideas for improving the West Linn Student Body, Frank Bracelin is the man for this position.

I WANT TO
BE SONG
QUEEN

BETTY STURGES

I have always wanted to be West Linn High School's song queen and if I am elected I will do my best at making West Linn's student body the peppiest it has ever been. I will put all my effort in my work and I promise to attend all football and basketball games.

You students want a song queen who is peppy and who will attend the games. I think I can do it if you elect me.
