REVIEW

The Lion track squad under coach F. Fors enters the last leg of their season this spring with only two losses so far, these being the Haywood relays at Eugene in which the West Linn tracksters placed third, and the Beaverton relays in which the team captured second place.

The Lions walked away with first position of their division in the annual Hill Military Relays at the Livestock Pavilion placing a state championship relay team. The first dual meet at West Linn, with Canby, was taken easily with a score of 86 $\frac{2}{3}$ to 35 $\frac{1}{3}$. A dual meet with Woodburn Bulldogs fell to the Lions by the score of 72 $\frac{1}{2}$ to 49 $\frac{1}{2}$. Andy Swan, Lion speedster was high point man with a total of 14 $\frac{1}{2}$ points. Gresham lost a dual meet to the Lions here to the tune of 78-35, West Linn taking first in each event, excepting the low hurdles and pole vault. In a three

way meet on Kelly Field with Oregon City, Milwaukie and West Linn, the lions upheld their record with West Linn, 70; Oregon City, 42; and Milwaukie, 40. Swan was again high point man with 15 $\frac{1}{2}$ points.

The undefeated men thus far this season are Holt in the 100 and 880; Swan in the 220 and 440; Donovan in the shot; and the relay team of Kruse, Thompson, Holt and Swan.

Baseball

NEWBERG

West Linn defeated Wednesday by Newberg in a postponed baseball game, 8-6. The Newberg team scored mostly on errors but a few runs were made on hits. Gassner started the West Linn team off on the mound, relinquishing his position to Bruck for the last four innings. The Lions showed fair hitting power, but experience is sadly lacking, probably through the fact that most of the games have been postponed this season.

The last league baseball game of the season will be the Hillsboro game today.

REVIEW

Although all but three of the TYV games scheduled thus far have been postponed,
